

# 台灣無比精采：醫療精英

TAIWAN REVEALED: MEDICAL ELITE

臺灣先進的醫療科技不僅發展出有透視功能的智慧型手術眼鏡，也幫助半身癱瘓病患重新站起來，並破解了罕見疾病龐貝氏症，寫下醫學新頁；此外，臺灣醫療團隊更是積極協助改善友邦公衛環境、提升當地醫療品質！Discovery 頻道與中華民國外交部合作，用鏡頭帶你見證臺灣醫療實力，看這群醫療精英，如何讓世界看到臺灣醫療的無比精采。

Creating X-ray glasses that make surgical procedures more precise. Helping paralyzed patients take their precious first steps. Cracking the genetic codes that hold the key to fighting rare diseases. It all sounds like science fiction, right? Well, it's not! These are all examples of how Taiwan stays at the cutting-edge of medical technology. The film series, co-presented by the Discovery Channel and the R.O.C. Ministry of Foreign Affairs, gives viewers a special look at the amazing progress made by Taiwan's medical elites as well as what medical marvels they are developing for the future.
