Preface vi
Acknowledgments viii

PART I

Foundations for Inclusive Physical Activity 1

CHAPTER 1

Redefining Ability and Inclusive Physical Activity 3

The Road Toward Inclusion 5
Inclusive Physical Activity 6
Evolution Toward an Inclusive Physical Activity Framework 10
Moving Toward an Inclusive Model of Ability in Physical Activity 13
Summary 18
What Do You Think? 18
What Would You Do? 19

CHAPTER 2

Overcoming Barriers to Inclusive Physical Activity 21

Context-Related Barriers and Strategies 23
Person-Related Barriers and Strategies 34
Task-Related Barriers and Strategies 39
Summary 42
What Do You Think? 42
What Would You Do? 43

PART II

Inclusive Physical Activity Program Planning and Implementation 45

CHAPTER 3

Teaming and Collaboration 47

Effective Communication 49
Team Members 54
Models of Consultation 58
Collaborative Team Process and Issues 61
Collaborative Strategies for Teachers and Practitioners 67
Summary 71
What Do You Think? 71
What Would You Do? 71

CHAPTER 4**Program Focus and Assessment****73**

- Purposes of Assessment 74
- Assessment Considerations 79
- Assessment Across the Life Span: What Are We Looking For? 87
- Summary 101
- What Do You Think? 102
- What Would You Do? 102

CHAPTER 5**Preparing and Planning Inclusive Physical Activity Programs****103**

- A Practical Approach to Inclusive Physical Activity Programming 104
- The Planning Process in Action 110
- Inclusive Physical Activity for Infants and Toddlers 110
- Inclusive Physical Activity for School-Age Children 115
- Inclusive Physical Activity for Adults 133
- Summary 135
- What Do You Think? 136
- What Would You Do? 136

CHAPTER 6**A Functional Approach for Modifying Movement Experiences****137**

- Step 1: Determining Underlying Components of Skills 139
- Step 2: Determining Current Capabilities of the Individual 140
- Step 3: Matching Modification Efforts to Capabilities 141
- Step 4: Evaluating Modification Effectiveness 156
- Applying the FAMME Model 158
- Summary 160
- What Do You Think? 160
- What Would You Do? 160

PART III**Application of Inclusive Practices****163****CHAPTER 7****Movement Skills and Concepts****165**

- Overview of Movement Skills and Concepts 166
- Prerequisite Knowledge of Task Elements 167
- Critical Elements and Differences in Movement Capabilities 169
- Modification of Fundamental Movement Skills and Concepts 170
- Examples of Practice 172
- Summary 175
- What Do You Think? 176
- What Would You Do? 176

CHAPTER 8**Play, Games, and Sport****177**

- Play 178
- Games and Sport 180
- Modifying Games and Sports 184
- Summary 188
- What Do You Think? 188
- What Would You Do? 189

CHAPTER 9**Health-Related Fitness and Conditioning****191**

- Physical Fitness Goals 192
- Implications for Physical Activity Practitioners 193
- Training Principles 195
- Components of Fitness and Strategies for Inclusive Programming 196
- Health-Related Fitness Activities 202
- Summary 205
- What Do You Think? 205
- What Would You Do? 205

CHAPTER 10**Adventure and Outdoor Programming****207**

- Outdoor Activities Defined 208
- Modifications for Adventure Activities 210
- Challenge Courses 216
- Summary 218
- What Do You Think? 218
- What Would You Do? 218

- Appendix A Person-Related Factors Influencing Capability 219
- Appendix B Eligibility Criteria for Infants and Toddlers 240
- Appendix C Resources 242
- Appendix D Legislation and Individuals With Disabilities 244
- Appendix E Assessment Instruments 247
- Appendix F Sample Medical History and Referral Form 259
- References 268
- Index 274
- About the Authors 280
