

CONTENTS

PREFACE	xv
1 Overview	1
<i>What do we mean by reproductive politics?</i>	1
<i>Are sex and reproduction private or public matters?</i>	2
2 Historical Questions	4
<i>When and why was abortion criminalized in the United States?</i>	4
<i>How did urbanization and “moral reform” movements in the nineteenth century shape reproductive politics?</i>	5
<i>What impacts did immigration have on reproductive law and politics in the nineteenth and twentieth centuries?</i>	6
<i>What were anti-miscegenation and eugenic laws?</i>	7
<i>What access did women have in the past to voluntary sterilization?</i>	9
<i>What do we know about women’s reproductive decisions in the face of legal and medical constraints?</i>	9
<i>What was the process of legalizing contraception?</i>	10
<i>How did “genocide” and sterilization abuse become matters of concern for women of color and their allies?</i>	11
<i>What were hospital abortion boards?</i>	13
<i>What factors stimulated the push to legalize abortion?</i>	14

<i>How many abortions were performed in the criminal era?</i>	15
<i>When did the anti-abortion movement emerge?</i>	15
<i>What role did violence play in anti-abortion activism?</i>	16
<i>How have US presidents dealt with the subject of abortion?</i>	17
3 Feminism and Reproductive Politics	18
<i>Why is feminism so important to reproductive politics, and vice versa, in the United States?</i>	18
<i>Why did Susan B. Anthony oppose abortion?</i>	19
<i>Following the First Wave generation, how did feminist ideas about contraception develop?</i>	20
<i>What was the reaction to the Pill?</i>	23
<i>How did feminist activists support reproductive rights in the 1960s and 1970s?</i>	24
4 The Legal Context	26
<i>Why are reproductive issues governed variously by state laws, federal laws, and court decisions?</i>	26
<i>What did Roe v. Wade actually say?</i>	28
<i>How did Congress respond to the Supreme Court's decision?</i>	29
<i>How have subsequent judicial rulings and legislation altered the rights created by Roe v. Wade?</i>	31
5 Religion and Reproduction	34
<i>What ideas have structured religious thinking about reproductive policy?</i>	34
<i>How do various Protestant denominations approach abortion?</i>	35
<i>What are the views of the Catholic Church regarding contraception and abortion, and how have they changed over time?</i>	36
<i>What does Islam teach about reproductive control?</i>	37
<i>How does Judaism regard abortion and contraception?</i>	38

	<i>What impact have religious teachings had on women's reproductive practices in the United States today?</i>	39
	<i>How does the First Amendment's "establishment clause," guaranteeing religious freedom, affect matters?</i>	40
6	Population Issues and Reproductive Politics	41
	<i>What is the state of population growth in the United States today, and how is it affected by immigration?</i>	41
	<i>What is the link between citizenship and reproductive politics?</i>	43
7	Public Policy and Reproductive Politics	45
	<i>How do policies such as day-care funding and family leave shape women's reproductive decisions?</i>	45
	<i>How have gender-based wage disparities intersected with reproductive politics?</i>	46
	<i>How have policies regarding drugs influenced reproductive politics?</i>	46
	<i>How does the current national welfare policy affect reproductive politics?</i>	47
	<i>How does policy governing foster care and other child-protective services affect reproductive politics?</i>	48
8	Teenage and Single Pregnancy in the United States	50
	<i>How have attitudes about single and teenage pregnancy changed since World War II?</i>	50
	<i>What rights do teenagers have regarding reproductive health care?</i>	52
	<i>How are children born to teenage mothers and to single mothers affected?</i>	52
9	Values Debates and Reproductive Politics	54
	<i>What is "abstinence only" sex education?</i>	54
	<i>When did "life begins at conception" emerge as an important idea in reproductive politics?</i>	55

	<i>What relationship does the anti-abortion movement claim with the nineteenth-century abolitionist movement?</i>	56
	<i>What is "Feminists for Life" (FFL)?</i>	57
	<i>How are attitudes and policies regarding gays and lesbians as parents evolving in the United States?</i>	58
	<i>What is a "conscience clause"?</i>	59
10	Contraception	61
	<i>What are the most commonly used forms of contraception in the United States?</i>	61
	<i>Is "emergency contraception" the same thing as abortion?</i>	61
	<i>Why are long-acting contraceptives politically controversial?</i>	62
	<i>Why isn't there a male hormonal contraceptive?</i>	63
	<i>Is breast-feeding an effective contraceptive?</i>	63
	<i>Does the federal government pay for contraceptives and other reproduction-related services?</i>	64
	<i>What is the annual cost to US taxpayers of unintended pregnancies?</i>	64
11	Contemporary Abortion Politics I—Opinions and Science	66
	<i>What are the most common objections to abortion today, and how have objections changed over time?</i>	66
	<i>How do advocates of abortion rights make their case?</i>	67
	<i>What do public opinion polls show about American attitudes toward abortion today?</i>	68
	<i>Is there evidence that abortion causes psychological and physical illness, and deleteriously affects subsequent pregnancies?</i>	68
12	Contemporary Abortion Politics II—Experience and Practice	71
	<i>What is the abortion rate in the United States and how has it changed in recent years?</i>	71
	<i>At how many weeks of pregnancy is the typical abortion performed?</i>	71

<i>What is the difference between a medical and a surgical abortion?</i>	72
<i>What is the difference between a D&X procedure, a “partial birth” abortion, a “late-term” abortion, and a “later” abortion?</i>	73
<i>How safe is abortion, generally?</i>	74
<i>Who obtains abortions in the United States today?</i>	75
<i>What are some reasons women give for having abortions?</i>	75
<i>Why is the abortion rate so high for poor women?</i>	75
<i>How many abortion practitioners provide services in the United States today, and how are their services distributed geographically?</i>	76
<i>In what settings are abortions typically performed?</i>	77
<i>Are abortion practitioners in danger today?</i>	78
<i>Do medical schools teach abortion practice?</i>	79
13 Contemporary Abortion III—Activism, Law, and Policy	80
<i>How are state legislatures responding to abortion and satellite issues?</i>	80
<i>What is pre-abortion counseling?</i>	81
<i>What are “waiting periods”?</i>	82
<i>What are TRAP laws?</i>	82
<i>What is the Freedom of Access to Clinic Entrances (FACE) Act?</i>	83
<i>What is a Crisis Pregnancy Center?</i>	84
<i>Can women use health insurance plans to cover abortion?</i>	84
<i>What is the future of legal abortion?</i>	85
<i>What does the abortion rights movement look like today?</i>	86
14 Fetuses	88
<i>Has the fetus always been the focus of anti-abortion concerns?</i>	88
<i>What is “fetal personhood”?</i>	89
<i>What does “fetal rights” mean?</i>	90
<i>What is fetal homicide?</i>	93

	<i>What is the evidence regarding fetal pain?</i>	94
	<i>What is fetal viability?</i>	96
15	Family Building, Reproductive Technologies, and Stem Cell Research	98
	<i>What qualifies as a family today?</i>	98
	<i>What causes infertility?</i>	100
	<i>What does "assisted reproductive technologies" (ART) refer to?</i>	101
	<i>What is genetic testing?</i>	105
	<i>Why do different groups respond to the idea of genetic testing differently?</i>	106
	<i>What is surrogacy?</i>	107
	<i>What ethical questions regarding assisted reproductive technologies remain unresolved?</i>	109
	<i>What is the connection between stem cell research and reproductive politics?</i>	112
16	Adoption	114
	<i>What does adoption look like in the United States today?</i>	114
	<i>Who adopts infants and foreign-born children in the United States?</i>	116
	<i>Why is inter-country adoption controversial?</i>	117
	<i>What laws govern adoption in the United States?</i>	120
17	The Environment and Reproductive Politics	121
	<i>How are environmental contaminants affecting reproductive health in the United States?</i>	121
	<i>What are environmentalists saying about population growth, consumption, and challenges to global sustainability?</i>	124
	<i>What are the implications of these environmental perspectives for the most vulnerable women?</i>	126

18	Disability and Reproductive Politics	128
	<i>What basic reproductive restrictions have been placed on women with disabilities in the past and today?</i>	128
	<i>How have prenatal diagnostics shaped Americans' view of disability?</i>	129
19	Birthing, Breast-feeding, and Reproductive Politics	132
	<i>In what settings are babies born in the United States today?</i>	132
	<i>What status do midwives have in the United States?</i>	134
	<i>Why is the rate of caesarian section so much higher in the United States than it used to be?</i>	135
	<i>What is natural childbirth?</i>	137
	<i>Is there a maternal health care crisis in the United States?</i>	138
	<i>What do medical authorities say about the relationship between breast-feeding and infant health?</i>	139
	<i>Must employers allow employees to express milk with breast-pumps while at work?</i>	140
	<i>Do states have laws about breast-feeding in public?</i>	140
20	Men and Reproductive Politics	141
	<i>In what ways are reproductive rights the concerns of men as well as women?</i>	141
	<i>Has the so-called men's rights movement influenced discussion about men's role in reproductive decision making?</i>	142
	<i>How does domestic violence intersect with reproductive issues?</i>	143
21	Global Reproductive Health and US Programs and Politics	145
	<i>What is USAID's family planning program?</i>	145
	<i>What are the "global gag rule" and the Helms Amendment?</i>	146

<i>What is the United Nations Population Fund and what relationship does the United States have to this organization?</i>	147
<i>Is there an international body monitoring women's reproductive health?</i>	149
22 Health Care and Reproductive Politics	150
<i>What does the federal health care reform act of 2010 say about pregnancy, contraception, abortion, and reproductive health care generally?</i>	150
<i>Why did abortion become so controversial during congressional health care debates?</i>	153
23 Language and Frameworks	155
<i>When did Americans adopt the language of "choice" and "right to life"?</i>	155
<i>Do various groups of women interpret their needs regarding fertility and reproduction uniquely and if so, why does this matter?</i>	157
<i>What is "reproductive justice"?</i>	159
<i>What contemporary, contested frameworks are structuring reproductive politics today?</i>	162
