

Contents

Chapter 1

Skeletal Growth, Development, and Healing as Related to Pediatric Trauma 1

STEVEN L. FRICK

Chapter 2

Physcal Injuries 16

ALEXANDRE ARKADER • DAVID L. SKAGGS

Chapter 3

Casting Techniques 36

STEVEN LOVEJOY • JONATHAN SCHOENECKER

Chapter 4

Pathologic Fractures in Children 44

HERBERT S. SCHWARTZ • GINGER E. HOLT

Chapter 5

The Multiply Injured Child 59

GEORGE H. THOMPSON • LORRAINE C. STERN • JOHN H. WILBER • JOCHEN P. SON-HING

Chapter 6

Fractures with Soft Tissue Injuries 86

SANJEEV SABHARWAL

Chapter 7

Complications of Fractures in Children 105

ANTHONY A. STANS

Chapter 8

Outcomes Assessment of Fractures in Children 130

UNNI G. NARAYANAN

Chapter 9

Fractures and Dislocations of the Forearm, Wrist, and Hand 142

CHRIS STUTZ • PETER M. WATERS

Chapter 10

Fractures and Dislocations about the Elbow 182

GREGORY A. MENCIO

Chapter 11

Fractures and Dislocations about the Shoulder 246

JAMES F. MOONEY III • LAWRENCE X. WEBB

Chapter 12

Fractures of the Spine 270

JEFFREY E. MARTUS • GREGORY A. MENCIO

Chapter 13

Fractures and Dislocations about the Hip and Pelvis 311

MARC F. SWIONTKOWSKI • MENGNAI LI

Chapter 14

Fractures of the Femoral Shaft 365

JEFFREY SHILT • YING LI

Chapter 15

Fractures around the Knee in Children 390

LEWIS E. ZIONTS • MAURICIO SILVA • SETH GAMRADT

Chapter 16

Fractures of the Tibia and Fibula 437

GEORGE H. THOMPSON • ANNA WALLACE • JOCHEN P. SON-HING

Chapter 17

Fractures and Dislocations of the Foot and Ankle 473

ALVIN H. CRAWFORD • CHARLES T. MEHLMAN • SHITAL N. PARIKH

Chapter 18

Nonaccidental Trauma 543

JEFFREY SHILT • PAUL McPHERSON

Chapter 19

Anesthesia and Analgesia for the Ambulatory Management of Children's Fractures 564

SHEILA McMORROW JONES • ANDREA C. BRACIKOWSKI

Chapter 20

Rehabilitation of the Child with Multiple Injuries 578

LOUISE Z. SPIERRE • CHRISTINE THOROGOOD • CHARLES T. MEHLMAN

Chapter 21

Skeletal Trauma in Young Athletes 594

KEVIN SHEA • ERIC W. EDMONDS • HENRY CHAMBERS • JOHN C. JACOBS JR.

Chapter 22

Nerve Injury and Repair in Children 631

SCOTT H. KOZIN • DAN A. ZLOTOLOW
