

CONTENTS

Preface	vii	
Chapter I	Cerebrospinal Fluid: Physiology, Biomarker and Methodology <i>Chen Xu Wang, Chunyan He, Chiu Yuen To, Jeremy Kulacz, Keith Kattner and Ann Stroink</i>	1
Chapter II	Proteomics of Cerebral Microdialysate: A Bench-to-Bedside Approach for the Early Diagnosis of Complicated Subarachnoid Hemorrhage <i>Martin H. Maurer</i>	39
Chapter III	Neuronal Cytoskeleton Components in Cerebrospinal Fluid in Selected Neurological Diseases <i>Lenka Fialová and Ivan Matouš-Malbohan</i>	65
Chapter IV	Composition of Normal and Pathological Cerebrospinal Fluid in Neuropathology <i>José Manuel González-López, Elena María González-Romarís, Isabel Idoate-Cervantes and Jesús Fernando Escanero-Marcén</i>	87
Chapter V	Towards a Resolution of the Reference Pressure Controversy in Cerebrospinal Fluid Flow Dynamics <i>Kalyan Raman and P. Sundar</i>	107

Chapter VI	Cerebrospinal Fluid Biomarkers for Alzheimer's Disease <i>Eliana Venturelli, Chiara Villa and Elio Scarpini</i>	123
Chapter VII	Lipoproteins and Apolipoproteins in Human Cerebrospinal Fluid: A New Role of Lipoprotein(A) and Apolipoprotein(A) in the Neurological Diseases Characterized by Blood-Cerebrospinal Fluid Barrier Dysfunction <i>Gabriella Pepe and Guglielmina Chimienti</i>	141
Index		165

The author(s) has/have written the work(s) entirely independently without assistance or advice from any organization, corporation, or any kind and assumes no responsibility for any errors or omissions. The author(s) has/have been compensated by the publisher for any expenses incurred in preparing and presenting the work(s). The author(s) has/have received no compensation other than the above mentioned for this work. The author(s) has/have received no compensation other than the above mentioned for this work.

Independent - alone. A *statement* is made that the author(s) has/have received no compensation in this book except for the amount paid directly to the publisher for any royalty and/or dissemination-related benefit resulting from the methods, procedures, instructions, ideas or otherwise contained in this publication. It is noted:

This publication is designed in independent, non-institutional, non-commercial manner to the subject matter covered herein as best the author(s) can understand. That the publisher is not engaged in rendering medical or any other type of professional services. If need or any other expert assistance is required, the reader should seek the services of a physician, a *DEclaration of INDEPENDENCE* is made that the author(s) has/have adopted - BY A COMMITTEE OF THIRTY-THREE - the motto of the American Revolution: *IN GOD WE TRUST*. The author(s) has/have also adopted the motto of the American Publishers: *IN GOD WE TRUST*.

Additional color graphics may be available in the color version of this book.
