Preface xxiii

## Chapter 1 *Sexuality in Perspective* 1

Sex and Gender 2

Understanding Sexuality 3  
*Religion. Science.*

Focus 1.1: A Victorian Sex Survey 5

Cross-Cultural Perspectives 7

*Generalizations. Sexual techniques. Masturbation. Premarital and Extramarital Sex. Homosexuality. Standards of Attractiveness. Gender roles. Social-Class and Ethnic-Group Variations in the United States. Social Class and Sex. Black Sexuality. The Significance of the Cross-Cultural Studies.*

Focus 1.2: Sexuality in Three Societies 8

Cross-Species Perspectives 16

*Masturbation. Mouth-Genital Stimulation. Homosexual Behavior. Human Uniqueness. The Nonsexual Uses of Sexual Behavior.*

Summary 21

Review Questions 22

Questions for Thought, Discussion, and Debate 22

Suggestions for Further Reading 22

## Chapter 2 *Theoretical Perspectives on Sexuality* 24

Sociobiology 26

Psychological Theories 27

*Psychoanalytic Theory. Learning Theory. Cognitive Theories. Humanistic Psychology.*

The Sociological Perspective 36

*Sexual Scripts. The Sociological Approach: Levels of Analysis. Social Institutions.*

Summary 40

Review Questions 41

Questions for Thought, Discussion, and Debate 41

Suggestions for Further Reading 41

## Chapter 3 *Sexual Anatomy* 42

Female Sexual Organs 44

*External Organs. Internal Organs. The Breasts. The Pelvic Exam.*

Male Sexual Organs	55
<i>The Penis. The Scrotum and Testes. Sperm. Other Internal Structures.</i>	
Cancer of the Sex Organs	61
<i>Breast Cancer. Cancer of the Cervix. Cancer of the Prostate. Cancer of the Testes.</i>	
Focus 3.1: The Breast Self-Exam	62
Focus 3.2: The Testicular Self-Exam	66
Summary	67
Review Questions	67
Questions for Thought, Discussion, and Debate	68
Suggestions for Further Reading	68

## Chapter 4 Sex Hormones and Sexual Differentiation 70

Sex Hormones	72
<i>Sex Hormone Systems in the Male. Sex Hormone Systems in the Female.</i>	
Prenatal Sexual Differentiation	75
<i>Sex Chromosomes. Gonads. Prenatal Hormones and the Genitals. Descent of the Testes and Ovaries. Brain Differentiation. Homologous Organs.</i>	
John Money, Hermaphrodites, and the Eight Variables of Gender	79
<i>Diamond's Biased Interaction Model.</i>	
Focus 4.1: Two Case Histories from the Johns Hopkins Clinic	82
Puberty	84
<i>Changes in the Female. Changes in the Male.</i>	
Summary	90
Review Questions	91
Questions for Thought, Discussion, and Debate	91
Suggestions for Further Reading	91

## Chapter 5 Menstruation and Menopause 92

Biology and the Menstrual Cycle	94
<i>The Phases of the Menstrual Cycle. Menstrual Problems.</i>	
Psychological Aspects of the Menstrual Cycle	99
<i>Fluctuations in Mood: Is Sally Blue? Fluctuations in Performance: Can Sally Be President? Fluctuations in Sex Drive. What Causes the Fluctuations in Mood: Why Is Sally Blue?</i>	
Cycles in Men	106
Menopause	106
<i>Biological Changes. Sexuality and Menopause. Psychological Changes. What Causes the Symptoms?</i>	
Male Menopause	111
<i>Biological Changes. Psychological Changes.</i>	
Summary	112
Review Questions	113
Questions for Thought, Discussion, and Debate	113
Suggestions for Further Reading	113

## Chapter 6 Conception, Pregnancy, and Childbirth 114

### Conception 116

*Sperm Meets Egg: The Incredible Journey. Improving the Chances of Conception: Making a Baby.*

### Development of the Conceptus 119

*The Embryo and Its Support Systems. Fetal Development During the First Trimester. Fetal Development During the Second Trimester. Fetal Development during the Third Trimester.*

### The Stages of Pregnancy 121

*The First Trimester (the first 12 weeks). The Second Trimester (weeks 13 to 26). The Third Trimester (weeks 27 to 38). The Father's Role in Pregnancy.*

### Sex During Pregnancy 127

### Nutrition 128

### Effects of Drugs Taken During Pregnancy 128

*Antibiotics. Alcohol and Other Addictive Drugs. Steroids. Other Drugs.*

### Birth 131

*The Beginning of Labor. The Stages of Labor. Positions of the Fetus. Cesarean Section (C Section).*

### Natural Childbirth 136

*The Lamaze Method. The Use of Anesthetics in Childbirth. Home Birth Versus Hospital Birth.*

### After the Baby is Born: The Postpartum Period 140

*Physical Changes. Psychological Changes. Attachment to the Baby. Baby Blues for Dads?*

### Breast-Feeding 141

*Biological Mechanisms. Psychological Aspects.*

### Problem Pregnancies 143

*Ectopic Pregnancy. Pseudocyesis (False Pregnancy). Toxemia. Illness during Pregnancy. Birth Defects. Rh Incompatibility. Miscarriage (Spontaneous Abortion). Prematurity.*

### Infertility 147

*Causes of Infertility. Psychological Aspects. Treatment of Infertility.*

### Focus 6.1: New Reproductive Technologies 148

### Summary 152

### Review Questions 153

### Questions for Thought, Discussion, and Debate 153

### Suggestions for Further Reading 153

## Chapter 7 Contraception and Abortion 154

### The Pill 157

*How it Works. Effectiveness. Side Effects. Advantages and Disadvantages. Reversibility. Other Kinds of Pills.*

### Focus 7.1: Margaret Sanger — Birth Control Pioneer 158

### The IUD 163

*How it Works. Effectiveness. Side Effects. Advantages and Disadvantages. Reversibility.*

The Diaphragm	166
<i>How it Works. Effectiveness. Side Effects. Advantages and Disadvantages. Reversibility.</i>	
The Condom	169
<i>How it Works. Effectiveness. Side Effects. Advantages and Disadvantages. Reversibility. Innovations.</i>	
Spermicides	171
<i>How They Work. Effectiveness. Side Effects. Advantages and Disadvantages.</i>	
The Sponge	172
<i>How it Works. Effectiveness. Side Effects. Advantages and Disadvantages.</i>	
Douching	173
Withdrawal	173
<i>Effectiveness. Side Effects. Advantages and Disadvantages.</i>	
Fertility Awareness Methods (Rhythm)	174
<i>The Calendar Method. The Basal Body Temperature Method. The Cervical Mucus (Ovulation) Method. The Sympto-Thermal Method. Effectiveness. Advantages and Disadvantages.</i>	
Sterilization	176
<i>Male Sterilization. Female Sterilization. Psychological Aspects: Attitudes toward Contraception</i>	
Abortion	183
<i>Abortion Procedures. Psychological Aspects. Men and Abortion.</i>	
Focus 7.2: The Social Psychology of Contraception: Taking Chances	186
New Advances	190
<i>Male Methods. Female Methods. Methods for Either Men or Women.</i>	
Focus 7.3: A Brief Summary of the Development of Sophisticated Methods of Contraception	192
Summary	193
Review Questions	193
Questions for Thought, Discussion, and Debate	195
Suggestions for Further Reading	195

## Chapter 8 *The Physiology of Sexual Response* 196

The Four Stages of Sexual Response	198
<i>Excitement. Plateau. Orgasm. Resolution.</i>	
Focus 8.1: William Masters and Virginia Johnson	202
Other Findings of the Masters and Johnson Research	205
<i>Clitoral Orgasm Versus Vaginal Orgasm. Multiple Orgasm in Women.</i>	
Alternatives to the Masters and Johnson Model	206
<i>Kaplan: Triphasic Model. Walen and Roth: A Cognitive Model.</i>	
Hormonal and Neural Control of Sexual Behavior	209
<i>The Brain, the Spinal Cord, and Sex. Hormones and Sex.</i>	
Focus 8.2: Sexuality and the Handicapped	216
Focus 8.3: Castration or Incarceration?	218
Pheromones	220
Summary	222
Review Questions	222

	Questions for Thought, Discussion, and Debate	222
	Suggestions for Further Reading	223
<b>Chapter 9</b>	<b>Techniques of Arousal and Communication</b>	<b>224</b>
	Erogenous Zones	226
	One-Person Sex	227
	Masturbation. Fantasy. Vibrators, Dildos, and Such.	
	Two-Person Sex	230
	Kissing. Touching. The Other Senses. Genital-Genital Stimulation: Positions of Intercourse. Mouth-Genital Stimulation. Anal Intercourse. Techniques of Lesbians and Gays.	
	Aphrodisiacs	242
	Is There a Good Aphrodisiac? Anaphrodisiacs.	
	Are Intercourse and Orgasm the Goal?	243
	From Inexperience to Boredom	244
	Sexual Inexperience. Boredom.	
	Focus 9.1: The Protestant Ethic: Sex as Work	245
	Communication and Sex	247
	Communication and Building a Good Relationship. Being an Effective Communicator. Leveling and Editing. Good Messages. Breaking the Ice: Sex Manuals. Body Talk: Nonverbal Communication. Listening. Checking Out Sexy Signals. Validating. Drawing Your Partner Out. Fighting Fair. Taking Responsibility for Your Own Pleasure. Positive Communication. A Symmetrical Communicating Relationship.	
	Focus 9.2: A Personal Growth Exercise: Getting to Know Your Own Body	257
	Summary	258
	Review Questions	259
	Questions for Thought, Discussion, and Debate	259
	Suggestions for Further Reading	259
<b>Chapter 10</b>	<b>Sex Research</b>	<b>260</b>
	Issues in Sex Research	262
	Sampling. Reliability of Self-Reports of Sexual Behavior. Interviews versus Questionnaires. Self-Reports versus Direct Observations. Extraneous Factors. Ethical Issues.	
	The Major Sex Surveys	267
	The Kinsey Report. The Hunt Survey. The Magazine Surveys. Probability Samples.	
	Focus 10.1: Alfred C. Kinsey	268
	Studies of Special Populations	276
	George and Welier: Sexuality in Middle and Later Life. Bell, Weinberg, and Hammersmith: Homosexuals and Heterosexuals.	
	Laboratory Studies Using Direct Observations of Sexual Behavior	277
	Masters and Johnson: The Physiology of Sexual Response. Masters and Johnson: Homosexual Behavior.	
	Participant-Observer Studies	280
	Humphreys: The Tearoom Trade. Bartell: Swinging.	
	Experimental Sex Research	281

Some Statistical Concepts 283  
Average. Variability. Average Versus Normal. Incidence Versus Frequency.  
Summary 285  
Review Questions 286  
Questions for Thought, Discussion, and Debate 286  
Suggestions for Further Reading 286

## Chapter 11 *Sexuality and the Life Cycle: Childhood and Adolescence* 288

Data Sources 290  
Infancy (0 to 2 Years) 291  
Masturbation. Infant-Infant Sexual Encounters. Nongenital Sensual Experiences.  
Attachment. Knowing About Boy-Girl Differences.  
Early Childhood (3 to 7 Years) 293  
Masturbation. Heterosexual Behavior. Homosexual Behavior. Sex Knowledge  
and Interests.  
Preadolescence (8 to 12 Years) 295  
Masturbation. Heterosexual Behavior. Homosexual Behavior. Dating. Sexual Values.  
Adolescence (13 to 19 Years) 299  
Masturbation. Homosexual Behavior. Heterosexual Behavior.  
Premarital Sex 302  
How Many People Have Premarital Intercourse? First Intercourse. Sex with a  
Prostitute. Techniques in Premarital Sex. Attitudes toward Premarital Intercourse.  
Motives For Having Premarital Intercourse. Dating, Going Steady, Getting  
Engaged. Conflicts  
Focus 11.1: A Sociological Analysis of Premarital Sexual Behavior 304  
Focus 11.2: Teen Pregnancy 310  
The Sexual Revolution: Is It Over? 312  
How Sexuality Aids in Psychological Development 313  
Summary 314  
Review Questions 314  
Questions for Thought, Discussion, and Debate 315  
Suggestions for Further Reading 315

## Chapter 12 *Sexuality and the Life Cycle: Adulthood* 316

Sexual Turning Points: Stages of Adult Sexuality 318  
Stage 1: Sexual Unfolding—Taking the First Steps toward Adult Sexuality. Stage  
2: Making (or Breaking) Commitments. Stage 3: Marriage—for Better or Worse  
(in Bed). Stage 4: Making Babies, Making Love. Stage 5: Parenting—New Roles,  
New Challenges. Stage 6: Making Love the Second Time Around. Stage 7:  
Keeping Sex Alive (and Lively).  
Marital Sex 321  
Frequency of Marital Intercourse. Techniques in Marital Sex. Negotiations.  
Masturbation in Marriage. Attitudes toward, and Satisfaction with, Marital Sex.  
Sexual Patterns in Marriage. Sex and the Two-Career Family.  
Extramarital Sex 327  
How Many People Engage in Extramarital Sex? Attitudes toward Extramarital  
Sex. Consensual Extramarital Sex. Equity and Extramarital Sex.

Sex and the Single Person 332  
    *The Never-Married. The Divorced and the Widowed.*  
Focus 12.1: Have Adults Changed Their Sexual Behavior in the AIDS Era? 333  
Sex and the Senior Citizen 335  
    *Physical Changes. Attitudes About Sex and the Elderly. Sexual Behavior of the Elderly.*  
Summary 342  
Review Questions 342  
Questions for Thought, Discussion, and Debate 343  
Suggestions for Further Reading 343

## Chapter 13 Attraction, Love, and Intimacy 344

Attraction 346  
    *Birds of a Feather. "Hey, Good-Lookin'." The Interpersonal Marketplace. From the Laboratory to Real Life. The Girl Next Door. Playing Hard to Get. Byrne's Law of Attraction. Evaluating the Interpersonal-Attraction Research.*  
Focus 13.1: Jealousy 348  
Love Vocabulary 351  
    *The Greeks. Maslow: B-love and D-love.*  
Theories of Love 352  
    *Sternberg's Theory of Love. Attachment Theory of Love.*  
Research on Love 356  
    *Measuring Love. Love as a Relationship Develops. Gender Differences. Love and Adrenaline.*  
An Afterthought 362  
Summary 362  
Review Questions 362  
Questions for Thought, Discussion, and Debate 363  
Suggestions for Further Reading 363

## Chapter 14 Gender Roles 364

Gender Roles and Stereotypes 366  
    *Gender Schema Theory. Socialization.*  
Growing Up Female 370  
    *Stereotypes about Women. Infancy and Early Childhood. Adolescence. Adulthood. Middle and Old Age.*  
Growing Up Male 373  
    *Stereotypes About Men. Infancy and Early Childhood. Childhood. Adolescence. Adulthood. Middle and Old Age.*  
Focus 14.1: Why Are Men the Way They Are 375  
Male-Female Psychological Differences 378  
    *Personality. Abilities. Communication Styles. Gender Similarities. Stereotypes, Real Differences, and the Nature-Nurture Issue.*  
Impact of Gender Roles on Sexuality 381  
    *Aggressive Versus Passive. Aroused Versus Unaroused. Emotional versus Unemotional.*  
Androgyny 383

Transsexualism	386
<i>The Sex-Change Operation. What Causes Transsexualism? Other Issues. Criticisms of Sex-Change Surgery.</i>	
Summary	392
Review Questions	392
Questions For Thought, Discussion, and Debate	393
Suggestions For Further Reading	393

## Chapter 15 *Female Sexuality and Male Sexuality* 394

Data on Male-Female Differences in Sexuality	396
<i>Orgasm Consistency. Desire for Sex and Motives for Having Intercourse. Masturbation. Arousal to Erotica.</i>	
Why the Differences?	401
<i>Biological Factors. Cultural Factors. Other Factors.</i>	
Focus 15.1: Sexual Scripts: Female Sexuality in Marriage and Sex Manuals	402
Focus 15.2: Female Sexuality: The Hite Report and Women and Love	406
Beyond the Young Adults	409
Focus 15.3: Male Sexuality: Two Reports	410
The Future	412
<i>Gender Similarities. The "New Impotence"? Greater Sex Drive in Women?</i>	
Summary	413
Review Questions	414
Questions for Thought, Discussion, and Debate	414
Suggestions for Further Reading	415

## Chapter 16 *Sexual Orientation: Gay, Straight, or Bi?* 416

Stereotypes and Discrimination	418
<i>Attitudes toward Homosexuality. Stereotypes about Gays. Gays as a Minority Group.</i>	
Lesbian and Gay Lifestyles	423
<i>Coming Out. Gay Relationships. The Gay Subculture.</i>	
Focus 16.1: A Gay Couple: Tom and Brian	427
Focus 16.2: The Ethics of Sex Research: The Tearoom Trade	431
How Many People Are Gay, Straight, or Bi?	432
Sexual Orientation: Implications for Adjustment	434
<i>Sin and the Medical Model. Research Results. Can Sexual Orientation Be Changed by Psychotherapy?</i>	
Why Do People Become Homosexual or Heterosexual?	438
<i>Biological Theories. Psychoanalytic Theory. Learning Theory. Interactionist Theory. Sociological Theory. Empirical Data.</i>	
Focus 16.3: Ritualized Homosexuality in Melanesia	444
Bisexuality	446
Focus 16.4: Joan, a Bisexual Woman	448
Summary	449
Review Questions	450
Questions for Thought, Discussion, and Debate	451
Suggestions for Further Reading	451

## Chapter 17 Variations in Sexual Behavior 452

When Is Sexual Behavior Abnormal? 454

Fetishism 454

*Media Fetishes and Form Fetishes. The Normal-Abnormal Continuum.  
Why Do People Become Fetishists?*

Focus 17.1: A Case History of a Shoe Fetishist 456

Transvestism 457

Focus 17.2: Sexual Addictions? 458

Sadism and Masochism 461

Voyeurism 463

Exhibitionism 464

Nymphomania and Satyriasis 466

Other Sexual Variations 467

Prevention of Sexual Disorders 468

Summary 469

Review Questions 470

Questions for Thought, Discussion, and Debate 470

Suggestion for Further Reading 471

## Chapter 18 Sexual Coercion 472

Rape 474

*Theoretical Views of Rape. Attitudes Toward Rape. Psychological Responses of the Rape Victim. Silent Rape Reaction. Female Socialization: Creating Rape Victims. Rapists. Date Rape. Marital Rape. Male Socialization: Creating Rapists. Men Raped by Women. Prison Rape. Preventing Rape.*

Focus 18.1: A Rape Victim Tells Her Story 477

Focus 18.2: How Can Friends Help a Rape Victim? 485

Incest and Child Molestation 486

*Pedophilia. Incidence of Incest. Father-Daughter Incest. Psychological Impact on the Victim. Incest Taboos.*

Sexual Harassment 490

*Sexual Harassment at Work. Sexual Harassment in Education: An A for a Lay.*

Summary 494

Review Questions 494

Questions for Thought, Discussion, and Debate 495

Suggestions for Further Reading 495

## Chapter 19 Sex For Sale 496

Prostitution 498

*Kinds of Prostitutes. Pimps and Madams. Psychological Functioning of Prostitutes. The Career of a Prostitute. Customers. Male Prostitutes.*

Focus 19.1: An Australian Prostitute Tells Her Story 502

Pornography 504

*Terms. Types of Pornography. The Customers. Feminist Objections to Pornography. The Effects of Pornography. The Meese Commission's Report. What is the Solution?*

Focus 19.2: Ernie: A Pedophile and Child Pornographer 508  
Summary 514  
Review Questions 515  
Question for Thought, Discussion, and Debate 515  
Suggestions for Further Reading 515

## Chapter 20 *Sexual Dysfunction and Sex Therapy* 516

Kinds of Sexual Dysfunction 518  
*Erectile Dysfunction. Premature Ejaculation. Inhibited Ejaculation. Orgasmic Dysfunction. Vaginismus. Painful Intercourse. Problems of Sexual Desire.*  
What Causes Sexual Dysfunction? 523  
*Organic Causes. Drugs. Psychological Causes.*  
Focus 20.1: A Case of Orgasmic Dysfunction in a Woman 526  
Focus 20.2: A Case of Erectile Dysfunction 530  
Two Models of Therapy 535  
*Psychoanalytic Approach. Behavioral Approach.*  
The Masters and Johnson Sex Therapy Program 535  
*The Format and Basic Principles. Basic Therapy Techniques. The Success Rate.*  
Other Therapies 538  
*Variations of the Masters and Johnson Method. Specific Treatments for Specific Problems. Marital Therapy. Individual Psychotherapy. Kaplan: Psychosexual Therapy. Biofeedback. Surgical Therapy: The Inflatable Penis. Which Therapy Is Best?*  
Sex Therapy for Lesbians and Gay Men 544  
Critiques of Sex Therapy 544  
Some Practical Advice 547  
*Avoiding Sexual Dysfunction. Choosing a Sex Therapist.*  
Summary 548  
Review Questions 548  
Questions for Thought, Discussion, and Debate 549  
Suggestions for Further Reading 549

## Chapter 21 *Sexually Transmitted Diseases* 550

Gonorrhea 552  
*Symptoms. Diagnosis. Treatment.*  
Chlamydia and NGU 555  
Genital Herpes 556  
AIDS 558  
*An Epidemic. Transmission. The Disease. The Virus. AIDS: Women, Children, and Racial Minorities. AIDS: Psychological Considerations. Progress in Diagnosis and Treatment.*  
Focus 21.1: An AIDS Victim Tells His Story 564  
Focus 21.2: Safer Sex in the AIDS Era 567  
Syphilis 568  
*Symptoms. Diagnosis. Treatment.*  
Focus 21.3: Cool Lines about Safe Sex 569  
Pubic Lice 573

Genital Warts 574  
Viral Hepatitis 574  
Preventing STD 575  
Other Inflammations 576  
    *Monilia. Trichomoniasis. Nonspecific Vaginitis. Cystitis. Prostatitis.*  
Focus 21.4: Preventing Vaginitis 577  
Summary 578  
Review Questions 579  
Questions for Thought, Discussion, and Debate 579  
Suggestions for Further Reading 579

## Chapter 22 *Ethics, Religion, and Sexuality* 580

Sexuality in Great Ethical Traditions 583  
    *Classical Greek Philosophy. Judaism and the Old Testament. The New Testament and Christianity. Humanism. Sexuality in Other Religions.*  
Focus 22.1 Dissent in the Roman Catholic Church 590  
Contemporary Issues in Sexual Ethics 595  
    *Sex Outside Marriage. Contraception. Abortion. Homosexuality. AIDS.*  
Focus 22.2: Prolife Versus Prochoice 600  
Technology and Sexual Ethics 607  
Toward an Ethics of Human Sexuality 609  
Summary 610  
Review Questions 611  
Questions for Thought, Discussion, and Debate 611  
Suggestions for Further Reading 611

## Chapter 23 *Sex and the Law* 612

Why Are There Sex Laws? 614  
What Kind of Sex Laws Are There? 615  
Focus 23.1: Anthony Comstock: Crusader Against Vice 616  
    *Crimes of Exploitation and Force. Criminal Consensual Acts. Crimes against Taste. Crimes against Procreation. Criminal Commercial Sex.*  
Sex-Law Enforcement 621  
Trends in Sex-Law Reform 622  
    *Early Efforts at Sex-Law Reform. Right to Privacy. Victimless Crimes. The Problem of Obscenity and Pornography. The Controversy over Reproductive Freedom.*  
Sex and the Law in the Future 631  
    *Sex-Law Reform. The Legal Challenge of New Reproductive Technologies.*  
Focus 23.2: AIDS and the Law 632  
Summary 636  
Review Questions 636  
Questions for Thought, Discussion, and Debate 637  
Suggestions for Further Reading 637

## Chapter 24 Sex Education 638

In the Home, in the School, or Somewhere Else? 640

Effects of Sex Education 642

Purposes of Sex Education 642

The Teacher 643

What to Teach at Different Ages 643

*A Theoretical View: Piaget. Children's Sex Knowledge.*

Focus 24.1: Are American Children Sexual Illiterates? 646

Focus 24.2: Questions Children Ask About Sex 650

Focus 24.3: A Sample Sex Education Curriculum 652

Curriculum 654

Summary 654

Review Questions 655

Questions for Thought, Discussion, and Debate 655

Suggestions for Further Reading 655

## Appendix A. *Directory of Resources in Human Sexuality* 657

*Bibliography* 661

*Glossary* 693

*Answers to Review Questions* 701

*Acknowledgments* 705
