## INTRODUCTION

History and function of the Czechoslovak Collection of Micro-organisms . . . . .	11
Deposition of Cultures . . . . .	12
Patent Cultures . . . . .	13
Safekeeping of Cultures . . . . .	14
Identification of Cultures . . . . .	15
Preservation of Cultures . . . . .	16
Reviving of Freeze-dried Cultures . . . . .	17
Acknowledgement . . . . .	20
Ordering and Distribution of Cultures . . . . .	21
Other Culture Collections in Czechoslovakia . . . . .	22
List of Abbreviations . . . . .	24
Arrangement of the Catalogue . . . . .	28

## Section I. BACTERIA

List of Strains . . . . .	31
Media . . . . .	240
List of Strains with Special Application . . . . .	253
Numerical Index to Strains . . . . .	263
References . . . . .	287

## Section II. MYCOPLASMAS

List of Strains . . . . .	457
Media . . . . .	465
Numerical Index to Strains . . . . .	466
References . . . . .	468

## Section III. VIRUSES

List of Strains . . . . .	475
Numerical Index to Strains . . . . .	484
References . . . . .	486

**Section IV. FUNGI**

List of Strains . . . . .	499
Media . . . . .	559
List of Strains with Special Application . . . . .	565
Numerical Index to Strains . . . . .	568
References . . . . .	576

**APPENDIX**

<b>Bacteria</b> . . . . .	591
<b>Fungi</b> . . . . .	610
