

Table of Contents

| | | |
|----------|--|-----------|
| 1 | Introduction..... | 1 |
| | <i>H. Terheyden, L. Cordaro</i> | |
| 2 | Consensus Statements on Ridge Augmentation and Review of the Literature | 3 |
| 2.1 | Consensus Statements and Treatment Guidelines Formulated at the 2008 ITI Consensus Conference | 5 |
| 2.1.1 | Consensus Statements | 5 |
| 2.1.2 | Treatment Guidelines | 6 |
| 2.1.3 | Treatment Outcomes | 8 |
| 2.2 | Literature Review | 9 |
| | <i>L. Cordaro</i> | |
| 2.2.1 | Included Studies..... | 10 |
| 2.2.2 | Patient with Partially Edentulous Jaws | 10 |
| 2.2.3 | Patients with Completely Edentulous Jaws..... | 11 |
| 2.3 | References of the Systematic Review | 12 |
| 3 | Preoperative Assessment and Planning..... | 13 |
| | <i>L. Cordaro</i> | |
| 3.1 | Anatomy..... | 14 |
| 3.1.1 | Bone Quality and Quantity for Implant Placement..... | 14 |
| 3.1.2 | Resorption Patterns in the Edentulous Maxilla and Mandible..... | 15 |
| 3.1.3 | Bone Situation at Adjacent Teeth..... | 17 |
| 3.1.4 | Periodontal Evaluation of Adjacent Teeth | 18 |
| 3.1.5 | Anatomical Limitations and Risks..... | 19 |
| 3.2 | Medical History | 20 |
| 3.2.1 | Risk Factors Jeopardizing the Success of Surgical and Restorative Treatment | 20 |
| 3.2.2 | Systemic Conditions Involving an Increased Risk of Medical Complications..... | 21 |
| 3.3 | Clinical Examination and Planning Aids..... | 23 |
| 3.3.1 | Study Casts and Diagnostic Wax-Up..... | 24 |
| 3.3.2 | Radiographic Examination and Planning..... | 24 |

| | | |
|----------|--|-----------|
| 3.4 | Alternatives to Staged Augmentation | 25 |
| 3.4.1 | Type of Edentulism and Defect Type | 27 |
| 4 | Methods for Ridge Augmentation | 29 |
| | <i>H. Terheyden, L. Cordaro</i> | |
| 4.1 | The GBR Principle | 31 |
| 4.2 | Flap Design and Surgical Access for Ridge Augmentation | 33 |
| 4.3 | Healing of Autologous Bone Block Grafts | 35 |
| 4.4 | Harvesting Autologous Bone from Intraoral Sites | 38 |
| 4.4.1 | Harvesting Bone from the Mandibular Ramus | 38 |
| 4.4.2 | Bone Harvesting from the Anterior Mandible (Chin) | 43 |
| 4.5 | Harvesting of Autologous Bone from Extraoral Sites | 46 |
| 4.5.1 | Iliac Bone Grafts | 46 |
| 4.5.2 | Calvarial Bone | 51 |
| 4.5.3 | Other Extraoral Sites | 52 |
| 4.6 | Bone Quality and Quantity | 53 |
| 4.7 | Biomaterials: Selection of Bone Substitutes and Membranes | 54 |
| 4.8 | Mixed Bone Grafts | 56 |
| 4.9 | Fixation of Block Grafts Using Plates and Screws | 57 |
| 4.10 | Prevention of Premature Graft Resorption | 59 |
| 4.11 | Simultaneous Versus Staged Augmentation | 61 |
| 4.12 | Surgical Planning for Ridge Augmentation in the Esthetic Zone | 62 |
| 4.13 | Augmentation Protocols | 63 |
| 4.13.1 | Dehiscence Defects and Fenestrations | 63 |
| 4.13.2 | Onlay Graft for Lateral Ridge Augmentation (Staged Procedure) | 66 |
| 4.13.3 | Ridge Splitting for Lateral Ridge Augmentation | 68 |
| 4.13.4 | Vertical Ridge Augmentation | 73 |
| 4.13.5 | Shell Technique for Vertical Augmentation | 73 |
| 4.13.6 | Interpositional Graft for Vertical Augmentation | 76 |
| 4.13.7 | Swinging Interpositional Graft for Vertical and Horizontal Augmentation | 76 |
| 4.13.8 | Interpositional Graft for Vertical Augmentation in the Maxilla (Le Fort I Level) | 79 |
| 4.14 | Guidelines for Selecting the Appropriate Augmentation Protocol | 82 |
| 4.15 | Wound Infection Prophylaxis and Antibiotics | 86 |
| 4.16 | Medications and Postoperative Care | 87 |
| 4.17 | Provisional Protheses | 88 |

| | | |
|----------|---|-----------|
| 5 | Implant Placement in Augmented Sites and Treatment Outcomes..... | 91 |
| | <i>H. Terheyden, L. Cordaro</i> | |
| 5.1 | Implant Placement in Augmented Sites..... | 92 |
| 5.1.1 | Healing Time of Bone-Block and GBR Reconstructions..... | 92 |
| 5.1.2 | Re-entry Stage and Removal of Osteosynthesis Materials..... | 95 |
| 5.2 | Treatment Outcomes after Implant Placement..... | 96 |
| 5.2.1 | Implant Survival..... | 96 |
| 5.2.2 | Augmentative Effects of Different Materials and Techniques..... | 96 |
| 5.2.3 | Complication Rates of Different Materials and Techniques..... | 97 |
| 6 | Clinical Case Presentations..... | 99 |
| 6.1 | Autologous Block Graft and Guided Bone Regeneration (GBR) for Horizontal Ridge Augmentation in the Anterior Maxilla..... | 100 |
| | <i>D. Buser, U. Belser</i> | |
| 6.2 | Staged GBR with Allogeneic Particulate Grafting Material for Single-Tooth Replacement..... | 108 |
| | <i>E. Lewis, F. Lozano</i> | |
| 6.3 | Guided Bone Regeneration (GBR) with a Particulated Autologous Graft and an ePTFE-Reinforced Membrane for Vertical Augmentation of a Single-Tooth Edentulous Space in the Esthetic Zone..... | 114 |
| | <i>P. Casentini</i> | |
| 6.4 | Autologous Block Graft and Guided Bone Regeneration (GBR) for Horizontal Ridge Augmentation in the Posterior Mandible..... | 123 |
| | <i>D. Buser, B. Schmid</i> | |
| 6.5 | Autologous Iliac-Crest Graft for Anterior Blocks and Bilateral Sinus Floor Elevation in a Completely Edentulous Maxilla..... | 128 |
| | <i>W. D. Polido, P. E. Pittas do Canto</i> | |
| 6.6 | Ridge Preservation and Implant Placement for a Fixed Dental Prosthesis After a Car Accident..... | 141 |
| | <i>M. Rocuzzo</i> | |
| 6.7 | Shell Technique for Horizontal and Vertical Maxillary Bone Augmentation in a Partially Edentulous Patient with Aggressive Periodontal Disease..... | 150 |
| | <i>Luca Cordaro</i> | |
| 6.8 | Horizontal Augmentation with Iliac Bone Grafts in the Treatment of Non-Syndromic Oligodontia..... | 158 |
| | <i>D. Weingart</i> | |
| 6.9 | Bilateral Horizontal Ridge Augmentation with Block Bone Grafts Using a Piezoelectric Device for Fixed Implant Restoration..... | 163 |
| | <i>Y.-D. Kwon</i> | |

| | | |
|------|--|-----|
| 6.10 | Iliac and Calvarial Bone Blocks for Onlay Grafting of a Severely Resorbed Edentulous Maxilla..... | 171 |
| | <i>M. Chiapasco, P. Casentini</i> | |
| 6.11 | Iliac-Crest Block for Vertical and Horizontal Space Filling in the Anterior Maxilla..... | 181 |
| | <i>W. D. Polido, J. E. Roehle Neto</i> | |
| 6.12 | Le Fort I Interpositional Graft and Mandibular Sandwich Osteotomy for Maxillofacial Rehabilitation after Severe Periodontitis | 192 |
| | <i>H. Terheyden</i> | |
| 7 | Management of Complications | 199 |
| | <i>H. Terheyden</i> | |
| 8 | Conclusions..... | 203 |
| | <i>L. Cordaro, H. Terheyden</i> | |
| 9 | References | 205 |
