Preface	xi
1. The Ophthalmic Medical Assistant David L. Schafer	1
2. Anatomy and Physiology of the Cornea Robert A. Ralph	13
3. The Tear Film Robert A. Ralph	23
4. Anatomy and Physiology of the Sclera and Uveal Tract Garth Stevens, Jr.	33
5. The Anatomy and Physiology of the Retina and Vitreous Stephen P. Ginsberg	43
6. Basic Anatomy and Physiology of the Optic Nerve and Pathology Phil A. Aitken	55
7. Anatomy and Physiology of the Extraocular Muscles Garth Stevens, Jr.	65
8. The Orbit: An Introduction to Orbital Anatomy, Patient Examination, and Orbital Diseases David M. Reifler Albert Hornblass	73

9. **Oculoplastic Surgery: Diseases and Treatment of Common Conditions of the Eyelids, Lacrimal System, and Orbit** 89
Eugene O. Wiggs
10. **Diseases of the Cornea** 107
Robert A. Ralph
11. **Ocular Chemical Burns** 125
Robert A. Ralph
12. **The Human Lens: Anatomy, Physiology, and Abnormalities** 137
Stephen P. Ginsberg
13. **Uvea, Sclera, and Pupillary Abnormalities** 153
Jean Deschênes
Robert A. Nozik
14. **Diseases and Treatment of the Vitreous and Retina** 163
Stephen P. Ginsberg
15. **Glaucoma: Introduction to Basic Concepts and Diagnosis** 199
Curtis E. Margo
William E. Layden
16. **Pathology and Treatment of Optic Nerve Diseases** 209
Phil A. Aitken
17. **Anatomy and Function of the Ocular Motor System** 221
Michael X. Repka
18. **Ophthalmic Surgery** 227
John J. Alpar
19. **Tonometry and Biomicroscopy** 265
Robyn S. Cassada

|---|-----|
| 20. Optics | 277 |
| Sieglinde Freed | |
| William E. Jackson | |
| 21. Opticianry | 287 |
| Michael L. Gansen | |
| 22. Retinoscopy | 299 |
| Jose Alvarez | |
| 23. Refractometry | 313 |
| Stephen J. Rhode | |
| 24. The Clinical Assessment of Strabismus | 327 |
| Michael X. Repka | |
| 25. Contact Lenses | 341 |
| Penelope O. Zantos | |
| Charles O. Titus | |
| 26. Visual Fields | 361 |
| Michael D. Laney | |
| 27. Ophthalmic Photography | 381 |
| Lawrence M. Merin | |
| 28. Ultrasonography | 401 |
| Stephen J. Rhode | |
| 29. Microbiology: Laboratory Methods in Diagnosing Ocular Infections | 411 |
| Robert L. Waltersdorff | |
| 30. The Electroretinogram and Electro-oculogram | 433 |
| Stephen J. Rhode | |

31. Ocular Emergencies	435
Lawrence W. Hirst	
32. General Medical Knowledge for the Ophthalmic Assistant	451
Raphael S. Bloch	
33. Ocular Pharmacology	469
Arthur D. Charap	
34. Liabilities and Limitations of the Ophthalmic Assistant	479
Diane S. Millman	
Subject Index	483
