<b>Part I Anatomical, Developmental and Genetic Basis of Maleness</b>	1
<b>1 The Testis</b> . . . . .	3
Bodhana Dhole and Anand Kumar	
<b>2 The Prostate Gland</b> . . . . .	17
Mona Sharma, Surabhi Gupta, Bodhana Dhole, and Anand Kumar	
<b>3 Seminal Vesicles</b> . . . . .	37
Surabhi Gupta, Mona Sharma, and Anand Kumar	
<b>4 Genital Ducts and Other Accessory Sex Glands</b> . . . . .	47
Surabhi Gupta and Anand Kumar	
<b>5 Neurovascular Supply and Lymphatic Drainage of Male Reproductive Organs</b> . . . . .	55
Mona Sharma and Anand Kumar	
<b>6 Development of the Male Gonad</b> . . . . .	67
Shilpa Sharma, Anand Kumar, and Devendra K. Gupta	
<b>7 The Human Y Chromosome</b> . . . . .	77
Manish Jain, Amanpreet Kaur Kalsi, Prashant Kumar, and Ashutosh Halder	
<b>Part II Neuroendocrine Regulation of Spermatogenesis</b>	99
<b>8 Testicular Hormones</b> . . . . .	101
Tarala D. Nandedkar	
<b>9 Hypothalamic-Pituitary-Testicular Axis</b> . . . . .	117
Bodhana Dhole and Anand Kumar	
<b>10 Spermatogenesis</b> . . . . .	135
Bodhana Dhole and Anand Kumar	

<b>Part III The Semen</b>	161
<b>11 The Human Semen</b> . . . . .	163
Surabhi Gupta and Anand Kumar	
<b>12 The Sperm</b> . . . . .	171
Mona Sharma and Anand Kumar	
<b>13 Sperm Function Tests</b> . . . . .	205
Manmohan Misro	
<b>Part IV Reproductive Stages</b>	225
<b>14 Male Puberty</b> . . . . .	227
Amit Satapathy and Vandana Jain	
<b>15 Male Sexual Function</b> . . . . .	251
Mona Sharma and Anand Kumar	
<b>16 Andropause</b> . . . . .	283
A. C. Ammini, Shivaprakash Somasundaram, and Ravinder Goswami	
<b>Part V Neurophysiology of Male Behaviors</b>	291
<b>17 Male Behaviors I: Brain Areas Regulating Male Behaviors</b> . . . . .	293
Mona Sharma, Rakesh Kumar Chadda, P. K. Anish, and Anand Kumar	
<b>18 Male Behaviors II: Neural Pathways Regulating Male Behaviors</b> . . . . .	315
Mona Sharma and Anand Kumar	
<b>19 Male Behaviors III: Brain Polymorphism and Sexual Orientation</b> . . . . .	341
Rakesh Kumar Chadda, Mona Sharma, and Anand Kumar	
<b>20 Male Behaviors IV: Ageing Brain</b> . . . . .	349
Mona Sharma and Anand Kumar	
<b>Part VI Systemic Influences on Male Reproduction</b>	363
<b>21 Immune System</b> . . . . .	365
Surabhi Gupta and Anand Kumar	
<b>22 Thyroid</b> . . . . .	383
Skand Shekhar, Bodhana Dhole, and Anand Kumar	
<b>23 Metabolism and Endocrines</b> . . . . .	401
Mohd Ashraf Ganie, Sk Hammadur Rahaman, and Nishant Raizada	

---

<b>Part VII Disorders and Diseases of Male Reproductive System</b>	415
<b>24 Primary Testicular Failure</b> . . . . .	417
Manish Jain, Prashant Kumar, Venkateswaran Iyer, and Ashutosh Halder	
<b>25 Biology of Male Hermaphrodite and Intersex</b> . . . . .	437
Shilpa Sharma, Anand Kumar, and Devendra K. Gupta	
<b>26 Gynaecomastia</b> . . . . .	451
Sweety Agrawal, Mohd Ashraf Ganie, and Sobia Nisar	
<b>27 Sexually Transmitted Infections in Males</b> . . . . .	459
Mohit Agrawal and Ashok Rattan	
<b>28 Male Reproductive Cancers</b> . . . . .	477
Kunhi Parambath Haresh and Rony Benson	
<b>Part VIII Regulation of Male Fertility and Sexual Health</b>	491
<b>29 Male Contraception</b> . . . . .	493
N. K. Lohiya, Imtiyaz Alam, and A. S. Ansari	
<b>30 Yoga and Sexual Health</b> . . . . .	509
Manjit Singh and Amit Kumar
