| <b>ACKNOWLEDGMENT .....</b>  | <b>6</b> |
| <b>FOREWORD .....</b>  | <b>7</b> |
| <b>1      ONCOFERTILITY AS A NEW FIELD OF REPRODUCTIVE MEDICINE</b>            |          |
| ( <i>Martin Huser</i> ) .....  | 11       |
| 1.1    The Term Oncofertility .....  | 12       |
| 1.2    Reproductive Protection Centers.....                                    | 13       |
| <b>2      REPRODUCTIVE AGING</b>   |          |
| ( <i>Martin Huser</i> ) .....  | 15       |
| 2.1    Determined Number of Ovarian Follicles .....                            | 17       |
| 2.2    Factors Affecting Reproductive Aging in Women .....                     | 20       |
| <b>3      METHODS FOR THE DETERMINATION OF REPRODUCTIVE AGE</b>                |          |
| ( <i>Pavel Ventruba</i> ) .....  | 22       |
| 3.1    Basic Concepts and Definitions.....                                     | 22       |
| 3.2    Measuring Ovarian Reserve .....   | 23       |
| 3.3    Prediction of Ovarian Reserve in Clinical Practice.....                 | 27       |
| <b>4      CANCER DURING REPRODUCTIVE AGE</b>                                   |          |
| ( <i>Martin Huser</i> ) .....  | 28       |
| <b>5      IMPACT OF CANCER TREATMENT ON FERTILITY</b>                          |          |
| ( <i>Martin Huser</i> ) .....  | 32       |
| 5.1    Surgical Treatment .....  | 33       |
| 5.2    Radiation Therapy .....   | 34       |
| 5.3    Chemotherapy .....  | 35       |
| 5.4    Impact of Cancer Treatment on the Ovary .....                           | 38       |
| 5.5    Impact of Cancer Treatment on Other Female<br>Reproductive Organs ..... | 40       |
| <b>6      METHODS OF REPRODUCTIVE PROTECTION IN MALES</b>                      |          |
| ( <i>Igor Crha</i> ) .....   | 42       |
| 6.1    Sperm Cryopreservation Technique .....                                  | 43       |
| 6.2    Processing and Freezing of Sperm in the Andrology Laboratory ..         | 45       |
| 6.3    Fertilization Success Using Cryopreserved Sperm .....                   | 47       |
| 6.4    Drug Use for the Protection and Restoration of Spermatogenesis ..       | 49       |

|                              |   |     |
|------------------------------|---|-----|
| <b>7</b>                     | <b>OPTIONS FOR FEMALE REPRODUCTIVE PROTECTION</b>   |     |
|                              | ( <i>Martin Huser</i> ) . . . . .   | 51  |
| 7.1                          | Embryo Cryopreservation . . . . .   | 51  |
| 7.2                          | Oocyte Cryopreservation . . . . .   | 57  |
