Brief Table of Contents

| Part 1 | Origins | 1 |
|------------|--------------------------------------|-----|
| Chapter 1 | The Diversity of Birds | 3 |
| Chapter 2 | History | 25 |
| Chapter 3 | Systematics | 51 |
| Part 2 | Form and Function | 77 |
| Chapter 4 | Feathers | 79 |
| Chapter 5 | Flight | 115 |
| Chapter 6 | Physiology | 141 |
| Part 3 | Behavior and Communication | 181 |
| Chapter 7 | Senses, Brains, and Intelligence | 183 |
| Chapter 8 | Vocalizations | 215 |
| Part 4 | Behavior and the Environment | 243 |
| Chapter 9 | The Annual Cycles of Birds | 245 |
| Chapter 10 | Migration and Navigation | 273 |
| Chapter 11 | Social Behavior | 307 |
| Part 5 | Avian Life Histories | 333 |
| Chapter 12 | Mates | 335 |
| Chapter 13 | Breeding Systems | 367 |
| Chapter 14 | Bird Sex | 399 |
| Chapter 15 | Nests and Incubation | 431 |
| Chapter 16 | Parents and Their Offspring | 467 |
| Chapter 17 | Lifetime Reproductive Success | 503 |
| Part 6 | Population Dynamics and Conservation | 531 |
| Chapter 18 | Populations | 533 |
| Chapter 19 | Species | 571 |
| Chapter 20 | Communities | 603 |
| Chapter 21 | Conservation | 635 |
