List of Illustrations	7
Preface	11
Chapter 1. What Is Collaborative Autoethnography?	17
Autoethnography	18
Autoethnography and Collaborative Autoethnography	21
Collaborative Autoethnography	23
Benefits of Collaborative Autoethnography	25
Challenges of Collaborative Autoethnography	30
Conclusion	35
Chapter 2. Typology of Collaborative Autoethnography	37
The Size of Research Teams	37
The Extent of Collaboration	40
Modes of Collaboration	43
Methodological Variations of Collaborative Autoethnography	46
Conclusion	52
Chapter 3. Getting Ready for Collaborative Autoethnography	55
Forming a Research Team	55
Deciding on a Research Focus	62
Selecting a Collaboration Model	67
Defining Roles and Setting Boundaries	69
Conclusion	71
Chapter 4. Data Collection	73
Collection of Diverse Data	73
Personal Memory and Archival Data	75
Self-Observational Data	77
Self-Reflective and Self-Analytical Data	78
Conversational and Interactive Data	86
Data Collection Strategies	87
Conclusion	93
Chapter 5. Data Analysis and Interpretation	95
Data Organization and Management	95
Logistical Considerations for Data Analysis and Interpretation	98

	Data Analysis	101
	To Use CAQDAS or Not, That Is the Question	109
	Data Interpretation	110
	Conclusion	113
Chapter 6.	Collaborative Autoethnographic Writing	115
	The Writing Challenge	115
	The Collaborative Writing Paradigm	117
	Pre-Collaborative Autoethnography Writing	118
	Collaborative Autoethnography Writing	123
	Post-Collaborative Autoethnography Writing	131
	Conclusion	134
Chapter 7.	Applications of Collaborative Autoethnography	137
	Practice in the Classroom	137
	Building Community	142
	Research as Activism	145
	Tool for Critical Work	146
	Professional Development	147
	Conclusion	148
Epilogue: Our Approach		151
	The Beginnings	151
	Planning Our Data Collection	152
	Collaborative Autoethnography Writing	153
	In Retrospect	157
Notes		159
