GAMMA RAY
HEADING FOR THE EAST
ANNIVERSARY EDITION

Equivalently remastered in 2015 by Mike Freese

"I am incredibly thankful that after 25 fantastic years of Gamma Ray, I am still standing here, making music and performing on stage. It's awesome to see that fans from the first days keep on supporting us and that we still make new friends. It's something you can't take for granted." - Kai Hansen, 2015
