DON'T LET THE STARS GET IN
YOUR EYES

ORIGINAL ALBUM PRODUCED BY STEVE GOODMAN AND DAN EINSTEIN
REISSUE PRODUCED FOR RELEASE BY CHERYL PAWELSKI

RECORDED IN CHICAGO, BERKELEY, NEW YORK,
AUSTIN, PHILADELPHIA, WASHINGTON, D.C.,
AND APPLETON, WISCONSIN.

"This record was put together from bits and pieces of ten years of club dates, concerts, and television appearances. While the 'sound quality' varies from track to track, these tunes as a set give a pretty fair representation of what I expect from myself at a concert: a few surprises, a few favorites, some laughs, and some quiet moments during which the audience can reflect on the fact that they had to pay for this. What else is new?"

Steve Goodman
January, 1983
