

Contents

Part I Introducing the Book

- 1 Introduction to the “Management of Water Quantity and Quality”** 3
Petr Hlavínek, Abdelazim M. Negm and Martina Zelenakova

Part II Rainwater in Urban Areas

- 2 Stormwater Management in Urban Areas** 17
Jakub Raček and Petr Hlavínek
- 3 The Green Roofs and Facades as a Tool of Climate Cooling in the Urban Environment** 39
Martin Šenfelder, Petr Maděra, Pavla Kotásková, Jitka Fialová, Miroslav Kunderata and Vlastimil Rieger
- 4 Infiltration of Rainwater in Urban Areas** 77
D. Duchan and J. Říha

Part III Water Quality and Reuse

- 5 Stream Water Quality Modelling Techniques** 107
Jaromír Říha
- 6 Pharmaceuticals in the Urban Water Cycle** 133
Adéla Žižlavská and Petr Hlavínek
- 7 Biological Audits in the System of Water Treatment Control** 163
Jana Říhová Ambrožová
- 8 Gray Water Reuse in Urban Areas** 195
Jakub Raček

Part IV Water Supply and Sewerage Systems

- 9 The Necessary Documents for the Design Documentation for Water Supply and Sewerage Systems in the Czech Republic** 221
Vojtěch Václavík and Tomáš Dvorský
- 10 Evaluation of Technical Condition of Sewerage Systems Operated by Municipalities in the Czech Republic** 245
Petr Hluštík and Martina Zelenakova

Part V Hydrodynamics Modelling

- 11 Numerical Modelling of the Fluid Flow at the Outlet from Narrowed Space for a Better Water Management** 265
V. Michalcová and K. Kotrasová
- 12 Numerical Modelling of Fluid Domain Flow in Open Top Channel** 287
K. Kotrasová and V. Michalcová
- 13 Monitoring of Changes in Water Content in Soil Pores of Earth-Fill Dams** 307
J. Pařílková, Z. Zachoval, M. Gomboš, D. Pavelková, B. Gjunsburgs, J. Gints, Y. Yanev, D. Toneva-Zheynova, T. Zydroń and A. Gruchot

Part VI Water Structures

- 14 Flood Protection in the Czech Republic** 333
D. Duchan, A. Dráb and J. Říha
- 15 Small Hydropower Plants in the Czech Republic** 365
D. Duchan, A. Dráb and O. Neumayer

Part VII Conclusions

- 16 Updates, Conclusions and Recommendations for Management of Water Quality and Quantity** 399
Martina Zelenakova, Petr Hlavínek and Abdelazim M. Negm
