

# Table of Contents

|  |     |
|--|-----|
| 1. Three Dimension Designing . . . . .         | 4   |
| 1.1. Basic Terms for 3D Designing . . . . .    | 4   |
| 1.1.1. Points and Coordinate Systems . . . . . | 4   |
| 1.1.2. Data Entry - 3D Points . . . . .        | 4   |
| 1.1.3. World Coordinate System . . . . .       | 5   |
| 1.1.4. User Coordinate System . . . . .        | 5   |
| 1.1.5. Coordinate System Icon . . . . .        | 5   |
| 1.2. Drawing Aids . . . . .                    | 7   |
| 1.3. 3D View Control . . . . .                 | 12  |
| 1.4. Managing Multiple Viewports . . . . .     | 19  |
| 1.4.1. Model Space and Paper Space . . . . .   | 25  |
| 1.5. 3D Solids . . . . .                       | 27  |
| 1.6. Editation Commands for 3D space . . . . . | 38  |
| 2. Render . . . . .                            | 41  |
| 2.1. Finishes . . . . .                        | 41  |
| 2.2. Lights . . . . .                          | 47  |
| 2.3. Configuration . . . . .                   | 54  |
| 2.4. Rendering . . . . .                       | 55  |
| 2.5. Rendering Options . . . . .               | 58  |
| 2.6. Image Options . . . . .                   | 67  |
| 2.7. Scene . . . . .                           | 71  |
| 3. Advanced Modelling Extension . . . . .      | 76  |
| 3.1. AME Solid Primitives . . . . .            | 76  |
| 3.2. AME System Variables . . . . .            | 79  |
| 3.3. AME Commands . . . . .                    | 87  |
| 4. AutoCAD SQL Extension . . . . .             | 104 |
| 4.1. ASE Capabilities . . . . .                | 104 |
| 4.2. User Input Conventions . . . . .          | 105 |
| 4.3. ASE Commands . . . . .                    | 105 |
