Introduction 1

1 Getting to Know the Mesh 9

Two parts data and a pinch of social; better things, easily shared; wear your mesh lenses; my date with mini mucho; welcome to the mesh buffet.

2 The Mesh Advantage 33

Network power, leveraged; panning for gold, or meet my friend, the filter; spice up your mesh with partners.

3 Mesh Design 51

Heirloom design, or the half-life of crap; the welcome return of Mr./Ms. Fixit; design is continuous and two-way; impersonate nature wherever possible.

4 In with the Mesh 61

Why now?; what gets measured gets managed; hidden assets in what some call waste; being dense is cool; the

value of your customers' footsteps, or how can I make you never go?

5 In Mesh We Trust 87

Trust erosion, or sandbags and other customer-retention strategies; trials, the first date all over again; delight is contagious and so is its evil twin; caution when cussing at customers.

6 The Mesh as Ecosystem 107

Meet you in the cloud; find a niche and go stand there; your customers are your customers' customers; the rediscovery of how; don't nap, adapt.

7 Open to the Mesh 125

And then there was a network, and it was open; what's that you're hiding?; open up and make good things happen faster; expecting transparency; early in, we all benefit—later on, I may want my toys back.

8 Mesh Inc. 135

Netflix slays a movie dragon; hit them where they thrive; five flavors of the big mesh; how to build a bigger box; take a geek to lunch.

9 Seed Your Own Mesh 149

Make the everyday better; arrive early, stay for the main meal; define, refine, and scale; leverage the "now," grasshopper; finally, give serendipity a big squeeze.

Epilogue to the Paperback Edition 165

The Mesh Directory 171

A descriptive listing of over 1,000 Mesh ventures, in clothing, education, energy, finance, food and wine, gardening, health and fitness, real estate, technology, vacations, and many other categories. Plus selective case studies of Mesh enterprises.
