

“Mozart wrote his trios to be played among friends... Our three musicians surely enjoy playing this and the other five trios Mozart composed for their instruments. They know each other well, have been making music together for a long time and have performed the six Mozart trios many times. Now they are giving them to us as a gift, an invitation to join them in the Mozartian conversation” *Rolando Villazón*

Wolfgang Amadeus Mozart (1756–1791)
