1 INTRODUCTION: TOURISM MATTERS!	1
Tourism, Recreation, Leisure and Mobility	3
The Issue of Scale: Empiricism, Paradigms and Transformations	7
Development of the Geography of Tourism and Recreation	8
Status of the Geography of Tourism and Recreation	11
Knowledge	12
Action: Development of an Applied Geography of Tourism and Recreation	20
Culture	24
<i>Insight: The Geography of Tourism and Recreation Outside the Anglo-American Tradition</i>	28
Transforming the Geography of Tourism and Recreation	30
Questions	32
Reading	32
2 THE DEMAND FOR RECREATION AND TOURISM	33
Geographers and Demand: Historical Perspectives	33
Recreational Demand	35
Barriers to Recreation	41
Seasonality	43
Financial Resources and Access to Recreational Opportunity	44
Gender and Social Constraints	45
The Geography of Fear in Recreation and Leisure Spaces: Gender-based Barriers to Participation	46

<i>Case Study: The Geography of Fear and Recreational Participation Implications for Exclusion</i>	47
The Geography of Fear and Urban Park Use in Leicester	48
Summary Points	50
Social Exclusion: Conditioning Leisure Participation	50
Resources and Fashions	52
Walking as a Leisure Pursuit: A Function of Resources and Fashion	53
<i>Case Study: Myles Dunphy and the Australian Bushwalking Movement</i>	54
Measuring Recreational Demand	57
Problems and Methods of Measuring Recreational Demand	57
Time Budget Survey Techniques	58
National Evaluations of Recreational Demand: International Perspectives	61
Regional Demand for Leisure and Recreation in London	64
Spatial Analysis of Demand at the Micro Level: Site Surveys	65
Tourism Demand	67
What is Tourism Demand?	68
Tourist Motivation	68
Maslow's Hierarchy Model and Tourist Motivation	70
Measurement of Tourism Demand: Tourism Statistics	73
Defining Tourism	75
Technical Definitions of Tourism	76
Domestic Tourism Statistics	79
International Tourism Statistics	81
Methodological Issues	82
Patterns of Tourism: International Perspectives	84
Patterns of Global Tourism	84
Patterns of Domestic Tourism	86
New Zealand Domestic Tourism Survey	87
Conclusions	89
Questions	90
Reading	90
3 THE SUPPLY OF RECREATION AND TOURISM	92
The Supply Factor in Recreation	92
How has the Geographer Approached the Analysis of Recreational Supply Issues?	93
<i>Insight: Local Authority Expenditure on Leisure and Recreation Provision – Walsall Metropolitan Borough Council</i>	95
Descriptive Research on Location and Travel	97
Explanatory Research on Location and Travel	99
Predictive Research on Location	100
Normative Research on Location	101
Supply and Demand in Recreational Contexts: Spatial Interactions	102
The Green Belt Concept	105
<i>Insight: Country Parks as a Spatial Recreational Tool: Intercepting Urban Recreationalists Seeking the Countryside</i>	106
Multiple Use of Recreational Resources	109

The Supply of Tourism	109
<i>Insight: The Destination Life Cycle</i>	112
Towards a Critical Geography of Tourism Production	114
<i>Insight: Economic Globalisation</i>	118
International Hotel Chains	120
The Leisure Product	123
Role of the Public and Private Sector in Tourism Supply	123
Spatial Analytical Approaches to the Supply of Tourism Facilities	127
Tourist Facilities	132
<i>Insight: Towards Geographical Analyses of Hospitality: Research Agendas</i>	137
Conclusion	142
Questions	142
Reading	143
4 THE IMPACTS OF TOURISM AND RECREATION	144
Impacts: Recreation Resource Management	144
Carrying Capacity	147
<i>Insight: The Recreation Opportunity Spectrum</i>	150
The Limits of Acceptable Change	150
<i>Insight: The Tourism Optimisation Management Model (TOMM)</i>	151
Economic Analysis	154
<i>Insight: The Economic Impact of Events</i>	158
Analysis of Tourism's Social Impacts	159
<i>Insight: Trafficking, Sex Tourism and Slavery</i>	163
Physical Environmental Impacts	165
Conclusion	170
Questions	170
Reading	171
