Preface.....	V
List of figures	XV
List of tables	XXV
List of abbreviations	XXVIII
Introduction	1
1. The theoretical and methodical framework	5
1.1 Theoretical approach for the description of old industrial regions	5
1.2 The approach of regulation theory	10
2. The Ruhr District during the last decades: Selected socio-economic and cultural aspects of the dynamic process of change	13
2.1 Structural changes of the population in the Ruhr District	13
2.1.1 The development of population	13
2.1.2 The structure of population	15
2.1.3 The regional distribution of population	18
2.2 The structure of employment	22
2.2.1 Structural changes of employment	22
2.2.2 Structural changes in the social insurance system	22
2.2.3 Structural changes of unemployment	24
2.3 Structural changes in the manufacturing sector	32
2.3.1 The coal-mining industry	32
2.3.2 The iron and steel industry	36
2.3.3 Industries apart from coal, iron and steel	43
2.4 Changes of the large companies and firms	47
2.4.1 Ruhrkohle Aktiengesellschaft (Ruhr Coal Joint Stock Company – RAG)	48
2.4.2 The companies of iron and steel industry: Estel-Hoesch, Thyssen, Klöckner	51
2.5 Crafts and trades	53
2.5.1 Structural changes in the sector of crafts and trades	54
2.5.2 Regional distribution of firms in the crafts and trades sector	56
2.6 Technological changes in the Ruhr District	56
2.6.1 General changes	56
2.6.2 The Founder and Technology Centre (BGT) in Bottrop	59
2.6.3 The technology centre EcoTextil GmbH in Bochum	60

2.7	Structural changes in the traffic system	62
2.7.1	Road traffic	62
2.7.2	Railways	62
2.7.3	Inland navigation	65
2.7.4	Airports and air traffic	65
2.7.5	Public local passenger traffic	68
2.8	National income accounting	71
2.8.1	The gross value added	71
2.8.2	The disposable income	71
2.8.3	The gross investment in plant and equipment	74
2.9	Structural changes in the educational and university system	75
2.9.1	Types of schools	75
2.9.2	Pupils in the general educational system	75
2.9.3	Universities and students	75
2.10	Structural changes in cultural fields	83
2.10.1	Parks	83
2.10.2	Sports	85
2.10.3	Museums and public theatres	85
2.10.4	Tourism	87
2.11	Protection of the environment	89
2.11.1	Environmental policy of the Federal Republic of Germany	89
2.11.2	Water supply and waste water	90
2.11.3	Waste quantity and disposal	92
2.11.4	Investments	93
2.12	Structural changes in vocational training	94
2.12.1	Vocational training in the Federal Republic of Germany	94
2.12.2	The development of the number of pupils at vocational schools in the Ruhr District	95
2.12.3	Further education	98
2.13	The Ruhr District and the Local Agenda 21	101
2.13.1	Tasks and aims of the Local Agenda 21	101
2.13.2	The Agenda offices in the Ruhr District	102
2.14	Public finances	103
2.15	Brownfield sites	105
2.15.1	The Montan-Grundstücksgesellschaft (MGG)	105
2.15.2	Real Estate Fund Ruhr	105
2.16	Welfare and medical care	108
2.16.1	Social benefits	108
2.16.2	Hospitals and medical care	108
2.16.3	Social nursing services	108

3.	Levels of coordination in the socio-economic and cultural process of change in the Ruhr District according to regulation theory . . .	111
3.1	The coordination level of the EC resp. EU	112
