About the authors

Stephen Howe is an associate professor at the Department of English at Fukui University in Japan. He gained his PhD in Languages and Linguistics at the University of London and is an experienced editor of English university and research writing. Khajana Henriksson is executive director of executive education and adjunct professor at Simon Fraser University, British Columbia, Canada. She was awarded her PhD at Lund University in Sweden and was a visiting scholar at Stanford University.

New to this edition

The Pressbook for Writing Papers and Research in English is used in more than 30 countries worldwide. The fourth edition is available in both paperback and digital versions, including a multiple user version for research groups, departments and universities. Further pressbooks have been added, and Writing Help has been reorganized as a major section at the start of the
