

**T**wenty-five years after this merry movie charmed audiences with a colourful mix of song, humour and life lessons, the Candy Man still wields magic, especially now in a vibrant new print with a soundtrack in true stereo.

From the classic Roald Dahl story comes a lip-smacking delight with jolly tunes, among them *The Candy Man* and *Pure Imagination*. With a golden ticket young Charlie Bucket (Peter Ostrum) wins a tour of the factory of wily mogul Wonka (Gene Wilder) and run by his Oompa-Loompa crew. There Charlie, his Grandpa Joe (Jack Albertson) and others discover a kind heart is a finer possession than a sweet tooth. Don't let the tour leave without you!

“★★★★  
Delightful, funny,  
exciting and a  
genuine work of  
imagination.”
