

ROCKABYE BABY!®

Rockabye Baby transforms rock favorites into beautiful instrumental lullabies. Guitars and drums are traded for xylophones and bells, and the volume is turned down from an eleven to a two. Tonight, the cradle will rock.

Have bedtime tantrums driven you stone cold crazy? Another sleepless night bites the dust with a spin of these blanket-soft versions of Queen's operatic rock anthems. We will rock you (and your little one) to a peaceful night's slumber.
