

Introduction: The Dominance of Diptera 7

PART 1: Life Histories, Habits and Habitats of Flies 12

CHAPTER 1

Life Histories of Flies 15

CHAPTER 2

Flies, Plants and Fungi 35

CHAPTER 3

Flies and Vertebrates 61

CHAPTER 4

Flies and Invertebrates 79

PART 2: Diversity 92

CHAPTER 5

Origins & Distribution of the Diptera 95

CHAPTER 6

The Lower Diptera 107

CHAPTER 7

The Lower Brachycera and Empidoidea 187

CHAPTER 8

The Higher Brachycera or Cyclorrhapha 295

PART 3: Identifying and Studying Flies 546

CHAPTER 9

Collecting and Preserving Flies 549

CHAPTER 10

Identifying Flies 557

General Glossary and Commentary on Taxonomic Terminology 594
