Parts of the book were read at different stages by Fikret Adenir, Virginia Akvan, Charles Ingrao, Andreas Kappeler, Michael Khodarkovsky, Alexei Miller, Christine Philliou, Evelyn Rawski, and Richard Wortman, all of whom deserve my thanks for their critical comments and helpful suggestions. Two anonymous readers for Cambridge University Press stimulated me to make extensive revisions. I am grateful to Emily Gioielli and Lyn Flight for help in preparing the manuscript. Michael Watson of Cambridge University Press was most supportive of the project. I bear sole responsibility for any errors that may remain.
