<b>Foreword</b> . . . . .	<b>vii</b>
<b>1 Evolution and Contextual Behavioral Science</b> . . . . .	<b>1</b>
David Sloan Wilson, <i>Binghamton University</i> ; Steven C. Hayes, <i>University of Nevada, Reno</i>	
<b>Learning</b>	
<b>2 The Contextual Science of Learning: Integrating Behavioral and Evolution Science Within a Functional Approach</b> . . . . .	<b>15</b>
Steven C. Hayes, <i>University of Nevada, Reno</i> ; David Sloan Wilson, <i>Binghamton University</i>	
<b>3 Classical and Operant Conditioning: Evolutionarily Distinct Strategies?</b> . . . . .	<b>31</b>
Zohar Z. Bronfman, <i>Tel-Aviv University</i> ; Simona Ginsburg, <i>Open University of Israel</i> ; Eva Jablonka, <i>Tel-Aviv University</i>	
<b>Dialogue on Learning</b> . . . . .	<b>48</b>
<i>Participants:</i> Michael J. Dougher, Derek A. Hamilton, Steven C. Hayes, and Eva Jablonka	
<b>Symbolic Thought and Communication</b>	
<b>4 Symbolic Thought and Communication from a Contextual Behavioral Science Perspective</b> . . . . .	<b>55</b>
Dermot Barnes-Holmes, Yvonne Barnes-Holmes, Ciara McEnteggart, <i>Department of Experimental Clinical and Health Psychology,</i> <i>Ghent University, Belgium</i>	
<b>5 Beneath Symbols: Convention as a Semiotic Phenomenon</b> . . . . .	<b>67</b>
Terrence W. Deacon, <i>Department of Anthropology,</i> <i>University of California, Berkeley</i>	

**Dialogue on Symbolic Thought and Communication. . . . .85**

*Participants:* Dermot Barnes-Holmes, Yvonne Barnes-Holmes,  
Terrence W. Deacon, and Steven C. Hayes

**Development and Adolescence**

**6 The Evolutionary Basis of Risky Adolescent Behavior . . . . .93**

Bruce J. Ellis, *University of Utah*

**7 Shaping DNA (Discoverer, Noticer, and Advisor): A Contextual Behavioral Science Approach to Youth Intervention . . . . . 109**

Joseph Ciarrochi, *Institute of Positive Psychology and Education, Australian Catholic University*; Louise L. Hayes, *University of Melbourne and Origen, National Centre of Excellence in Youth Mental Health*

**Dialogue on Development and Adolescence . . . . . 125**

*Participants:* Joseph Ciarrochi, Bruce J. Ellis, Louise L. Hayes, and David Sloan Wilson

**Emotions and Empathy**

**8 Situated Empathy: Applying Contextualism to the Science of Recognizing Other People's Emotions . . . . . 133**

Kibby McMahon, M. Zachary Rosenthal, *Duke University*

**9 The Social and Contextual Nature of Emotion: An Evolutionary Perspective . . . . . 149**

Lynn E. O'Connor, *Wright Institute*; Jack W. Berry, *Samford University*

**Dialogue on Emotions and Empathy . . . . . 163**

*Participants:* Jack W. Berry, Steven C. Hayes, Kibby McMahon, Lynn E. O'Connor, and M. Zachary Rosenthal

**Organizational Development**

**10 Relational Models, Leadership, and Organization Design: An Evolutionary View of Organizational Development . . . . . 171**

J. W. Stoelhorst, *University of Amsterdam*; Mark van Vugt, *VU University, Amsterdam*

- 11 Organizational Flexibility: Creating a Mindful and Purpose-Driven Organization . . . . . 185  
 Frank W. Bond, *Goldsmiths, University of London*

- Dialogue on Organizational Development** . . . . . 200  
*Participants:* Frank W. Bond, J. W. Stoelhorst, Mark van Vugt, and David Sloan Wilson

**Behavioral and Physical Health**

- 12 Evolutionary Mismatch: A Framework for Understanding Health and Disease in the Modern World—“Better Living Through Evolution” . . . . . 207  
 Aaron P. Blaisdell, *UCLA Department of Psychology*

- 13 Living Well as the First Medicine: Health and Wellness in the Modern World . . . . . 223  
 Kelly G. Wilson, *University of Mississippi*

- Dialogue on Behavioral and Physical Health** . . . . . 238  
*Participants:* Aaron P. Blaisdell, David Sloan Wilson, Kelly G. Wilson

**Small Groups**

- 14 Small Groups as Fundamental Units of Social Organization . . . 245  
 David Sloan Wilson, *Binghamton University*

- 15 Prosocial: Using CBS to Build Flexible, Healthy Relationships . . . . . 261  
 Paul W. B. Atkins, *Institute for Positive Psychology and Education, Australian Catholic University*

- Dialogue on Small Groups** . . . . . 275  
*Participants:* Paul W. B. Atkins, Steven C. Hayes, David Sloan Wilson

**Psychopathology and Behavior Change**

- 16 Variation and Selection in Psychopathology and Psychotherapy: The Example of Psychological Inflexibility . . . . . 283  
 Steven C. Hayes, *University of Nevada, Reno*; Jean-Louis Monestès, *LIP/PC2S, Grenoble Alpes University, France*

17 Reconciling the Tension Between Behavioral Change  
and Stability . . . . . 297  
Renée A. Duckworth, *Department of Ecology and Evolutionary Biology,  
University of Arizona*

**Dialogue on Psychopathology and Behavior Change . . . . . 312**  
*Participants:* Renée Duckworth, Steven C. Hayes, Jean-Louis Monestès,  
David Sloan Wilson

18 Evolution and Contextual Behavioral Science:  
Where Are We and Where Are We Going?  
A Concluding Dialogue Between the Editors . . . . . 319  
Steven C. Hayes, *University of Nevada, Reno*; David Sloan Wilson,  
*Binghamton University*

**Index . . . . . 333**
