Preface		xiii
PART 1: THEORETICAL OVERVIEW		
CHAPTER 1	Death Anxiety in Adult Life—Theoretical Perspectives	
	<i>Adrian Tomer</i>	3
	Selected Philosophical Approaches	4
	Psychological Theories	6
	Discussion	19
	Acknowledgments	23
	References	23
PART 2: RESEARCH INSTRUMENTS		
CHAPTER 2	A Revised Death Anxiety Scale	
	<i>James A. Thorson and F. C. Powell</i>	31
	Method and Results	32
	Conclusions	40
	References	40
	Appendix 2-1: Scoring the Revised Death Anxiety Scale (RDAS)	42

CHAPTER 3	The Collett–Lester Fear of Death Scale	
	<i>David Lester</i>	45
	The Original Collett–Lester Fear of Death Scale	45
	Research on the Collett–Lester Scale	46
	A Revised Collett–Lester Scale	51
	Conclusion	54
	References	54
	Appendix 3-1: Original Collett–Lester Fear of Death and Dying Scale	57
	Appendix 3-2: Revised Collett–Lester Fear of Death and Dying Scale	59
CHAPTER 4	The Threat Index and Related Methods	
	<i>Robert A. Neimeyer</i>	61
	Development of the Threat Index	62
	New Directions in the Assessment of Death Orientation	69
	Illustrative Areas of Research	82
	Conclusion	91
	References	93
	Appendix 4-1: Provided Form of the 25-Item Threat Index	97
CHAPTER 5	Validity and Reliability of the Multidimensional Fear of Death Scale	
	<i>Robert A. Neimeyer and Marlin K. Moore</i>	103
	Existing Psychometric Data on the Multidimensional Fear of Death Scale	104
	Some New Data	108
	Research Applications	113
	Conclusions	116
	References	116
	Appendix 5-1: Multidimensional Fear of Death Scale	117
CHAPTER 6	Death Attitude Profile—Revised: A Multidimensional Measure of Attitudes Toward Death	
	<i>Paul T. P. Wong, Gary T. Reker, and Gina Gesser</i>	121
	An Existential View of Death Attitudes	122
	A Conceptual Analysis of Death Acceptance	124
	Rationale for the Death Attitude Profile—Revised	127
	Correlates of Death Attitudes	128

	An Empirical Study of the Death Attitude Profile– Revised	131
	Results and Discussion	133
	Conclusion	141
	References	142
	Appendix 6-1: Death Attitude Profile–Revised	146
CHAPTER 7	Death Competency: Bugen's Coping with Death Scale and Death Self-Efficacy	
	<i>Rosemary A. Robbins</i>	149
	Study 1: Death Competency in College Students	151
	Study 2: Death Competency in Hospice Volunteers	152
	Study 3: Self-Efficacy in Organ Donation	157
	Study 4: Death Competency in Offering the Opportunity for Organ Donation	158
	Study 5: Death Competency in a Religious Context	159
	Summary	160
	Acknowledgments	161
	References	161
	Appendix 7-1: Bugen's (1980-81) Coping with Death Scale	162
	Appendix 7-2: Hospice-Related Death Self-Efficacy Scale	163
	Appendix 7-3: Organ Donation Self-Efficacy Scale	165
PART 3: APPLICATIONS		
CHAPTER 8	Reduced Death Threat in Near-Death Experiencers	
	<i>Bruce Greyson</i>	169
	Method	173
	Materials and Procedure	173
	Results	174
	Discussion	175
	References	177
CHAPTER 9	Death Threat, Parental Loss, and Interpersonal Style: A Personal Construct Investigation	
	<i>Christopher M. Meshot and Larry M. Leitner</i>	181
	Method	183
	Results	187

	Discussion	188
	Acknowledgments	189
	References	190
CHAPTER 10	Death Depression and Death Anxiety in HIV-Infected Males	
	<i>Julie Hintze, Donald I. Templer, Gordon G. Cappelletty, and Winston Frederick</i>	193
	Method	194
	Results	195
	Discussion	197
	References	198
CHAPTER 11	Death Concern and Attitudes Toward the Elderly in Nursing Home Personnel	
	<i>Stephen J. DePaola, Robert A. Neimeyer, Michael B. Lupfer, and Jayne Fiedler</i>	201
	Attitudes Toward the Elderly in Nursing Home Personnel	202
	Death Anxiety Among Nursing Home Personnel	202
	Death Anxiety and Age	203
	Limitations of Previous Research	203
	Method	205
	Results	207
	Discussion	212
	References	214
CHAPTER 12	Psychological Defenses Against Death Anxiety	
	<i>Robert W. Firestone</i>	217
	Literature Review	218
	Origins of the Core Defense	222
	Relationship Between Separation Anxiety and Fear of Death	225
	Defenses Against Death Anxiety	226
	Institutionalized Defenses	231
	Discussion	236
	References	239
CHAPTER 13	Changing Death Attitudes Through Death Education	
	<i>Joseph A. Durlak</i>	243
	Overview of Death Education	243

Attitudes and Changes in Them	249
Change in Attitude Toward Death as a Result of Death	
Education	252
Summary	257
References	258

PART 4: CONCLUSION

CHAPTER 14	Death Attitudes in Adult Life: A Closing Coda	
	<i>Robert A. Neimeyer</i>	263
	Prescription 1: Conduct Theoretically Grounded	
	Research	263
	Prescription 2: Build Integrative Theories	264
	Prescription 3: Explore the Dimensionality of Death	
	Attitudes	266
	Prescription 4: Develop Innovative Methods	269
	Prescription 5: Consider the Temporal Dimension	270
	Prescription 6: Study Problems with Clinical	
	Significance	272
	Conclusion	275
	References	275
Index		279

Gordon G. Cappelletty, Ph.D.
California School of Professional
Psychology
Fresno, CA 93740

Stephen J. DePaola, Ph.D.
Department of Psychology
Memphis State University
Memphis, TN 38152

Joseph A. Durlak, Ph.D.
Department of Psychology
Lake Shore Campus
Loyola University
6525 N. Sheridan Road
Chicago, IL 60626-5385

Jayne Fiedler, M.A.
Department of Psychology
Memphis State University
Memphis, TN 38152

Robert W. Firestone, Ph.D.
The Glendon Association
2049 Century Park East, Suite 3000
Los Angeles, CA 90067

Winston Frederick, M.D.
Howard University
2400 6th Street N.W.
Washington, DC 20059

Gina Gossar, M.A. [deceased]
Department of Behavioral Science
University of Toronto
Toronto, Ontario, Canada

Bruce Greyson, M.D.
School of Medicine
University of Connecticut Health Center
Farmington, CT 06030
