

# Structure and Contents

## Structure of The World Book Atlas

*The World Book Atlas* is arranged according to the structure that follows.

**Looking at Earth's Features** 8-31

**Looking at Earth's People and Their Lands** 32-49

**Looking at Earth as a Planet** 50-65

**Thematic Maps** 66-91

**Understanding Maps** 92-96

**Maps of the World** 97-224

**Maps of the United Kingdom and Ireland** 225-240

**Geographical Information and Maps of the World Index** 241-384

## Contents of The World Book Atlas

### Looking at Earth's Features 8

- The Ocean 10
- Mountains 12
- Rivers and Streams 14
- Lakes and Ponds 16
- Swamps, Marshes, and Bogs 18
- Tropical Forests 20
- Deserts 22
- Grasslands 24
- Midlatitude Forests 26
- Subarctic Cold Lands 28
- Polar Caps 30

### Looking at Earth's People and Their Lands

- North America 34
- South America 36
- Europe 38
- Asia 40
- Africa 42
- Australia and New Zealand 44
- Pacific Islands 46
- Polar Regions 48

### Looking at Earth as a Planet 50

- Earth in the Solar System 52
- Earth's Atmosphere and Motion 54
- Earth's Structure 56
- Earthquakes and Volcanoes 58
- Earth's Changing Surface 60
- Beneath the Ocean 62
- Earth's Minerals 64

### Thematic Maps 66

- Births and Deaths 68
- Economy and Literacy 69
- Temperature 70
- Precipitation, Atmospheric Pressure, and Winds 72
- Climatic Regions 74
- Natural Vegetation 76
- Agricultural Regions 78
- Land Use 80
- Steel and Manufacturing 82
- Distribution of Important Minerals 83
- Distribution of Important Fuels 86
- Energy 88
- Languages and Religions 89
- Population 90

### Understanding Maps 92

- The History of Maps 94
- How to Read Maps 96

**Maps of the World** 97

- Legend 98
- Index Maps 100
- World, Physical 102
- World, Political 104
- The Oceans 106
- World Transportation and Time Zones 108
- Europe, Physical 110
- Europe, Political 112
- Northern Europe 114
- Baltic Region 116
- British Isles 118
- Central Europe 120
- France and Benelux 122
- Belgium, Netherlands and Luxembourg 124
- Spain and Portugal 126
- Italy, Austria and Switzerland 128
- Southeastern Europe 130
- Southwestern U.S.S.R. 132
- The Urals 134
- South-Central U.S.S.R. 135
- Western U.S.S.R. 136
- Eastern U.S.S.R. 138
- Asia, Physical 140
- Asia, Political 142
- Southwestern Asia 144
- Middle East 146
- South-Central Asia 148
- Southeast Asia 150
- China and Mongolia 152
- Northeastern China, Korea and Japan 154
- Japan 156
- Africa, Physical 158
- Africa, Political 160
- Northwestern Africa 162
- Northeastern Africa 164
- West-Central Africa 166
- East-Central Africa 168
- Equatorial Africa 170
- Southern Africa 172
- North America, Physical 174
- North America, Political 176
- Alaska 178
- Greenland 179
- Canada 180
- United States 182
- Eastern United States 184
- Central United States 186
- Western United States 188
- Middle America 190
- Mexico 192
- Central America and Western Caribbean 194
- Eastern Caribbean 196
- Caribbean Islands 197

- South America, Physical 198
- South America, Political 200
- Northern South America 202
- East-Central South America 204
- Southern South America 206
- Australia and Oceania, Physical 208
- Australia and Oceania, Political 210
- Australia 212
- The North Pacific 214
- The South Pacific 216
- New Zealand 218
- Islands of Melanesia 219
- Islands of Micronesia-Polynesia 220
- Islands of Polynesia 221
- Antarctic Region, Physical 222
- Arctic Region, Physical 224

**Maps of the United Kingdom and Ireland** 225

- Legend 225
- England and Wales, South 226
- England and Wales, North 228
- Scotland 230
- Ireland 232
- United Kingdom and Ireland Map Index 234

**Geographical Information and Maps of the World Index** 241

- World Nations and Other Political Units 242
- World Geographical Tables 249
- Populations of Major Cities 252
- Sources 254
- Transliteration Systems 256
- Geographical Glossary 257
- Maps of the World Index 265
