

# Contents

<b>Introduction</b> .....	<b>6</b>
Sonography .....	6
Thermography .....	7
The Shoulder .....	7
Retrospective study .....	8
Numerical labelling of anatomical structures .....	8
<b>Normal thermography (TMV) shoulder findings</b> .....	<b>10</b>
<b>I. Humeral head usuration</b> .....	<b>11</b>
Humeral head usuration anteriorly below m. subscapularis .....	12
Humeral head usuration laterally and superiorly below m. supraspinatus .....	22
Humeral head usuration from the posterior view.....	27
<b>II. Bursae, recessions</b> .....	<b>37</b>
Bursa mucosa coracobrachialis s. sub apice processus coracoidei et Bursa mucosa musculi subscapularis s. sub radice processus coracoidei .....	39
Bursa mucosa brachialis musculi infraspinati.....	45
Bursa teres minor .....	49
Recessus articularis posterior.....	50
Bursa mucosa musculi subscapularis s. sub radice processus coracoidei et Bursa mucosa subtendinea musculi subscapularis .....	51
Recessus articularis in sulcus bicipitalis .....	53
Bursa mucosa acromialis superior s. subcutanea.....	57
Bursa mucosa subdeltoidea s. ascititia + Bursa mucosa acromialis s. subacromialis = Bursa subacromio – subdeltoidea, Bursa mucosa musculi supraspinati.....	60
Bursa mucosa subtendinea musculi pectoralis majoris.....	63
<b>III. M. biceps brachii, sulcus bicipitalis</b> .....	<b>64</b>
<b>IV. Articulatio acromioclavicularis</b> .....	<b>84</b>
Calcified plaques, osteophytes, usurations.....	85
Ganglions, cysts .....	92
Acromioclavicular joint diastases, clavicle fractures .....	95
<b>V. M. subscapularis</b> .....	<b>99</b>
<b>VI. M. supraspinatus</b> .....	<b>112</b>
<b>VII. M. infraspinatus, m. teres minor</b> .....	<b>133</b>
<b>VIII. Ruptures of m. pectoralis major, m. triceps brachii, m. deltoideus, m. rhomboideus, and others</b> .....	<b>139</b>
M. pectoralis major.....	139

M. triceps brachii, m. deltoideus, m. rhomboideus.....	141
Others .....	144
<b>IX. Fractures .....</b>	<b>147</b>
<b>X. Osteofixations.....</b>	<b>150</b>
<b>References .....</b>	<b>154</b>
