

# Table of Contents

---

CHAPTER 1 ..... 1

## **Introduction**

CHAPTER 2 ..... 5

## **Fungi in Baking and Brewing**

Baking: Light Bread and Heavy Ovens • Brewing: Fermentation  
Products and Deities • Wine in Feasting and Daily Life in Greece  
and Rome

CHAPTER 3 ..... 19

## **Edible Fungi**

Mycophagy in Greece and Rome • Mycophagy in Other Cultures

CHAPTER 4 ..... 25

## **Fungi as “Entheogens”**

Fungi, Philology, and Mythology • Matriarchies, Tanists,  
and Ritual Sacrifice

CHAPTER 5 ..... 33

**Poisonous Fungi and Mycotoxins**

Poisonous Fungi • Mycotoxins • Summary of Ancient Storage Practices • Experiments Duplicating Ancient Storage Practices or Using Ancient Crops • Ancient Historical Events Speculatively Attributed to Mycotoxins • Wheezing and Sneezing: Molded Feed, Hay, and Silage

CHAPTER 6 ..... 49

**Fungi Used for Medicinal Purposes and Other Technologies**

Panaceas and Pyrotechnics • Lichens as Remedies and Fabric Dyes

CHAPTER 7 ..... 55

**Plant-Pathogenic Fungi**

Ancient Agriculture, Landraces of Crop Plants, and Fungal Plant Pathogens • The Ancient Near East • Greco-Roman Antiquity • Europe North of the Mediterranean • Spread of Plant Pathogens via Transport of Seeds

CHAPTER 8 ..... 69

**Fungi as Agents of Rot on Wood and Fabric**

Tsara'at = Mold • Conservation of Artifacts

CHAPTER 9 ..... 71

**Human and Animal Pathogens**

Ringworm and Other Nasties • Fungi and Healing Rituals

CHAPTER 10 ..... 75

**Environmental and Ecological Roles of Fungi**

Coprophilous Fungi and Archaeobotany • What Killed the Elms?

CHAPTER 11 .....	<b>77</b>
------------------	-----------

### **Ancient Fungi Preserved in Glacial Ice or Permafrost**

Ice and Permafrost • The Iceman • Caveats to the Study of Ancient Fungal DNA

CHAPTER 12 .....	<b>81</b>
------------------	-----------

### **Ancient Images of Fungi**

Phalli and the Dancing Myco-Shamans • Greco-Roman Images • Agarics and Huns

CHAPTER 13 .....	<b>89</b>
------------------	-----------

### **Fungi in Ancient European Folklore**

Eastern European Pagans • Western Europe • The Celts and Fairies • The Anglo-Saxon Charms • Etruscan Echoes

CHAPTER 14 .....	<b>97</b>
------------------	-----------

### **Ideas of the Ancients on Fungal Biology**

Biology without a Microscope

CHAPTER 15 .....	<b>101</b>
------------------	------------

### **Some Additional Hypotheses Regarding the Impact of Fungi in Ancient Times**

Plant Pathogens and the History of Agriculture • Fermented Beverages and Social Structure • Psychoactive Fungi and the Evolution of Consciousness • Manna from Heaven

CHAPTER 16 .....	<b>107</b>
------------------	------------

### **Conclusions**

**Literature Cited 111**

**Index 137**
