Part 1 - TEXT

Preface /7/	AV. Chronologie. Pré-Roman glass has been found in some areas in Central Europe. /103/
Acknowledgements /8/	AV.1. Glass beads from the La Tène period in Central Europe. /103/
List of Figures /9/	AV.2. Glass vessels of the La Tène period in Central Europe. /103/
List of Tables /10/	AV.3. Glass vessels of the La Tène period in Central Europe. /103/
List of Plates /10/	AV.4. Glass vessels of the La Tène period in Central Europe. /103/
List of Maps /11/	AV.5. Glass vessels of the La Tène period in Central Europe. /103/
List of Appendices /11/	AV.6. Chronologie. Glass objects as far as possible the finds of prehistoric glass.
Abbreviations of museums and other institutions /12/	AV.7. Abbreviations of museums and other institutions. /103/
I. Introduction /13/	AV.8. 1. The Bronze Age to the end of the La Tène period, i.e. approximately 1000 BC to AD 100.
I.1. Past research in prehistoric glass in Central Europe /13/	AV.9. 2. The Hallstatt and La Tène periods.
I.2. Scientific analyses and European prehistoric glass studies /14/	AV.10. 3. The first attempt to sum up the present knowledge.
II. The material studied and its classification /17/	AV.11. Classification system of prehistoric beads from Bohemia /24/
II.1. Basic data: quantity and quality /17/	AV.12. Classification system of prehistoric beads from Bohemia /24/
II.2. Present classification of prehistoric glass /21/	AV.13. Classification system of prehistoric beads from Bohemia /24/
II.3. Classification system of prehistoric beads from Bohemia /24/	AV.14. Classification system of prehistoric beads from Bohemia /24/
III. Faience and glass beads of the Bronze Age /35/	AV.15. Classification system of prehistoric beads from Bohemia /24/
III.1. Early Bronze Age /35/	AV.16. Classification system of prehistoric beads from Bohemia /24/
III.2. Middle Bronze Age /39/	AV.17. Classification system of prehistoric beads from Bohemia /24/
III.3. Late Bronze Age /40/	AV.18. Classification system of prehistoric beads from Bohemia /24/
IV. Small glass objects of the Hallstatt and La Tène periods /45/	AV.19. Classification system of prehistoric beads from Bohemia /24/
IV.1. Beads /45/	AV.20. Classification system of prehistoric beads from Bohemia /24/
IV.1.1. Bead types: definition, distribution, chronology, provenance /45/	AV.21. Classification system of prehistoric beads from Bohemia /24/
IV.1.2. Beads: a general review /97/	AV.22. Classification system of prehistoric beads from Bohemia /24/
IV.1.3. The use and significance of beads /102/	AV.23. Classification system of prehistoric beads from Bohemia /24/
IV.2. Small rings /108/	AV.24. Classification system of prehistoric beads from Bohemia /24/
IV.3. Pendants /110/	AV.25. Classification system of prehistoric beads from Bohemia /24/
IV.4. Glass gems /111/	AV.26. Classification system of prehistoric beads from Bohemia /24/
V. Celtic rings /112/	AV.27. Classification system of prehistoric beads from Bohemia /24/
V.1. Bracelets /112/	AV.28. Classification system of prehistoric beads from Bohemia /24/
V.1.1. General characteristics /112/	AV.29. Classification system of prehistoric beads from Bohemia /24/
V.1.2. Types of bracelets /115/	AV.30. Classification system of prehistoric beads from Bohemia /24/
V.1.3. The chronology of bracelets /131/	AV.31. Classification system of prehistoric beads from Bohemia /24/
V.2. Ring beads /135/	AV.32. Classification system of prehistoric beads from Bohemia /24/
V.2.1. General characteristics /135/	AV.33. Classification system of prehistoric beads from Bohemia /24/
V.2.2. Types of ring beads /137/	AV.34. Classification system of prehistoric beads from Bohemia /24/
V.3. The distribution of Celtic glass and the question of production centres /142/	AV.35. Classification system of prehistoric beads from Bohemia /24/
V.4. Celtic glass: its use and significance /156/	AV.36. Classification system of prehistoric beads from Bohemia /24/

search in prehistory.

VI. Glass vessels /159/

VI.1. Types found in context of the La Tène period /159/

VI.2. Glass vessels of the La Tène period in Central Europe: chronology and provenance /160/

VII. Conclusions. Pre-Roman glass and faience in Bohemia and its historical development /163/

Appendices 1 - 8 /166/

Bibliography /189/

Part 2 - CATALOGUE

I. Bronze Age to La Tène period glass in Bohemia /212/

Catalogue ordering /213/

Sections: Bronze Age /216/

Bronze Age - doubtful finds /221/

Hallstatt to Early La Tène period /H C to LT A/ /222/

La Tène period /LT B to D/ /257/

Glass finds erroneously classified as of the Hallstatt or La Tène date and dubious finds /284/

Hallstatt and La Tène glass in find complexes from later periods /286/

II. Stradonice /distr. of Beroun/ - Catalogue of glass finds /289/

Plates 1 - 76 /315/

Maps 1 - 9 /398/
