

<i>Barták M.</i> : Are Diptera community characters altitude-dependent?	4
<i>Barták M., Frydrych J., Lošák M., Cagaš B., Rotrekl J., Kolařík P. &amp; Rudišová I.</i> : Diptera families in grassland agroecosystems under different management practices.....	15
<i>Barták M., Frydrych J., Lošák M., Cagaš B., Rotrekl J., Kolařík P. &amp; Rudišová I.</i> : Empidoidea (Diptera) in grassland agroecosystems under different management practices.....	26
<i>Barták M., Frydrych J., Lošák M., Cagaš B., Rotrekl J., Kolařík P. &amp; Rudišová I.</i> : Arthropod biodiversity in grassy agroecosystems under different management practices.....	37
<i>Černý M., Barták M., Frydrych J., Lošák M., Cagaš B., Rotrekl J., Kolařík P. &amp; Rudišová I.</i> : Agromyzidae (Diptera) in grassland agroecosystems under different management practices.....	48
<b>ABSTRACTS:</b>	
<i>Burdová L., Hořická Z. &amp; Kalous L.</i> : Biotic and abiotic changes of water reservoirs in Jizerské hory Mts regarding decrease of pollutant emissions in the area.....	59
<i>Funk A., Vrabec V. &amp; Velechovský M.</i> : Herpetological and other observations and new data of occurrence in the Morocco.....	60
<i>Jankovská I., Langrová I., Miholová D., Bejček V., Vadlejch J. &amp; Šulc M.</i> : Relative concentrations of trace elements in the parasites <i>Mesocestoides</i> spp. (Cestoda) and <i>Toxascaris leonina</i> (Nematoda) in their definitive host red fox ( <i>Vulpes vulpes</i> ).....	62
<i>Jankovská I., Langrová I., Vadlejch J., Száková J., Miholová D. &amp; Makovcová K.</i> : Experimental studies on the lead and cadmium accumulation in the cestode <i>Moniezia expansa</i> (Cestoda: Anoplocephalidae) and its final host ( <i>Ovis aries</i> ).....	64
<i>Kubík Š. &amp; Barták M.</i> : <i>Platycephala isinensis</i> Kubík & Barták, 2008 (Diptera, Chloropidae) from Iran.....	66
<i>Olejníček J. &amp; Kubík Š.</i> : <i>Chaetogonopteron bartaki</i> Olejníček & Kubík, 2007 (Diptera, Dolichopodidae) from Australia.....	68
<i>Langrová I., Vadlejch J., Makovcová K., Jankovská I., Lytvynets A.</i> : Location of nematodes in the gastrointestinal tract of sheep.....	70
<i>Lytvynets A. &amp; Langrová I.</i> : Changes in intensity of infection in female of Wistar rats naturally infected with <i>Syphacia muris</i> (Yamaguti, 1935).....	72
<i>Makovcová K., Langrová I., Vadlejch J. &amp; Jankovská I.</i> : Overwintering strategies in the most common gastrointestinal nematodes of sheep in the Czech Republic.....	73
<i>Patoka J. &amp; Kalous L.</i> : Comparison of migration and home range of pike ( <i>Esox lucius</i> ) in two different rivers.....	75

<i>Plazas J. R., Kalous L. &amp; Jankovská I.</i> : <b>On the conservation status of the small stream „Jevanský potok“ in Central Bohemia.....</b>	76
<i>Polesný Z., Macáková K., Jankovská I. &amp; Kokoška L.</i> : <b>Determination of <i>in vitro</i> antimicrobial activity of some <i>Withania</i> species.....</b>	77
<i>Rylková K. &amp; Kalous L.</i> : <b>Relationship of domestic forms of Gold Fish (<i>Carassius auratus</i>) to other members of the genus <i>Carassius</i> with usage of reconstruction of genealogic relations based on comparison of sequences of the gene <i>CytB</i> (mt DNA).....</b>	78
<i>Stropnický M., Havlík J. &amp; Flesar J.</i> : <b>Plant Extracts for the Prevention and Control of Bacterial Diseases of Honeybees.....</b>	80
<i>Štěpán P. &amp; Fechtner J.</i> : <b>Influence of Temperature and Other Environmental Parameters on Biological Traits of Freshwater Snails.....</b>	82
<i>Urban J.</i> : <b>Medicinal plants and their anthelmintic effect</b>	84
<i>Vadlejch J., Jankovská I., Makovcová K. &amp; Langrová I.</i> : <b>Proteolytic enzymes of <i>Passalurus ambiguus</i>.....</b>	85
<b>BACHELOR THESES:</b>	
<i>Bouberlová J., Vrabec V. &amp; Šebková N.</i> : <b>Biology of Large Blue Butterfly <i>Maculinea teleius</i> (Lepidoptera: Lycaenidae) in Polabí region (Czech Republic).....</b>	86
<i>Hlava J. &amp; Vrabec V.</i> : <b>Malaco zoological research of the Bílina mine territory near Mariánské Radčice (North-West Bohemia, Czech Republic).....</b>	88
<i>Marušáková K., Vrabec V. &amp; Šebková N.</i> : <b>Migration abilities of Large Blue Butterflies <i>Maculinea</i> (Lepidoptera: Lycaenidae).....</b>	90
<i>Nevoral J. &amp; Vrabec V.</i> : <b>Biology of genus <i>Epicrates</i> (Serpentes: Boidae).....</b>	92
<i>Spalová M., Vrabec V. &amp; Šebková N.</i> : <b>Biology of <i>Testudo hermanni</i> (Reptilia: Testudines: Testudinidae) in breeding.....</b>	94
<i>Zemínová P. &amp; Vrabec V.</i> : <b>The list of species of family Varanidae (Reptilia) with biological and taxonomical notes.....</b>	96
