Preface .....	5
List of tables and figures .....	9
1. Introduction .....	11
2. The current European Union as a confederal consociational system: theoretical and methodological considerations .....	20
2.1. Introduction .....	20
2.2. Supranational approaches .....	22
2.3. Intergovernmental approaches .....	23
2.4. Confederal consociational approaches .....	23
2.4.1. Confederal consociational characteristics .....	24
2.4.2. Multi-level attachment .....	25
2.5. Explanatory modelling .....	28
2.5.1. Principal component analysis and LISREL modelling .....	28
2.5.2. Structural variables: the socio-economic dimension and EU membership (2005) .....	30
2.5.3. Public opinion variables: dimensions of post-materialism and negative views of globalisation (2005) .....	33
3. Westward geopolitical orientation towards the European Union: explaining public opinion across post-communist countries in the 1990s (survey 1996) .....	39
3.1. Introduction .....	39
3.2. Geopolitical transition and options for the West and the East .....	41
3.2.1. Different geopolitical and geo-economic options .....	42
3.2.2. A “westward” transition: democratisation and economic liberalisation ..	46
3.3. Explaining westward (EU) orientation in public opinion (LISREL modelling) .....	53
3.3.1. Public opinion variable and structural variables .....	54
3.3.2. Explanatory model .....	58
3.4. Conclusions .....	61
4. Eastern enlargement and public opinion regarding Czech membership (survey 2000) .....	62
4.1. Introduction .....	62
4.2. EU historical core, semi-peripheries and peripheries .....	64

4.3. EU public opinion regarding Czech membership .....	67
4.3.1. Structural variables .....	70
4.3.2. Public opinion variables .....	71
4.3.3. Explaining public opinion across the EU15 .....	73
4.4. Changing public opinion in Czechia .....	75
4.5. Conclusions .....	79
5. Opposing public opinion regarding the draft of the EU constitution treaty (survey 2004) .....	81
5.1. Introduction .....	81
5.2. Some issues in debates on the proposed EU constitution .....	83
5.3. Socio-economic and core-periphery patterns (2003–2004) .....	85
5.4. Public opinion regarding the draft constitution .....	91
5.4.1. Structural variables .....	92
5.4.2. Public opinion variables .....	93
5.4.3. Explaining opposing public opinion .....	97
5.5. Conclusions .....	100
6. Attitudes on energy consumption across the enlarged European Union: uncertainties under globalisation pressures (survey 2005) .....	103
6.1. Introduction .....	103
6.2. EU energy policy under pressure from globalisation and geopolitical considerations .....	105
6.3. Public opinion and attitudes towards energy consumption: two polarisations .....	106
6.4. An explanatory model of attitudes on energy consumption (LISREL modelling) .....	111
6.4.1. Structural and public opinion variables .....	111
6.4.2. Explaining attitudes on energy .....	115
6.5. Conclusions .....	119
7. Public opinion regarding the deepening and widening of the European Union and differentiated integration (survey 2005) .....	121
7.1. Introduction .....	121
7.2. Widening and deepening processes .....	122
7.2.1. Differentiation in public opinion on widening (further enlargement) ..	122
7.2.2. Differentiation in public opinion on deepening (a constitution) . . . .	124
7.3. Differentiated integration: multi-speed or two-speed integration .....	129
7.4. Postulated explanatory model (LISREL) .....	133
7.4.1. Structural and public opinion variables .....	133
7.4.2. Differentiation in reasons for an EU constitution .....	134
7.4.3. Explaining differentiation in reasons for an EU constitution .....	137
7.5. Conclusions .....	141
8. Concluding remarks .....	142
References .....	149
Index .....	156
