	Glossary	96

The English version of the Framework Education Programme for Secondary General Education (Grammar Schools) utilises the English abbreviations for the phrases in question. The original, Czech abbreviations have been left only in the case of the names of Czech institutions due to their familiarity, i.e. the Research Institute of Education in Prague (VÚP), the Ministry of Education, Youth and Sports of the Czech Republic (MŠMT) and the Association of Grammar-School Principals (AŘG).
