

## Přehledy a odborná sdělení

*Neugebauer J, Tóthová V, Chloubová I, Hajduchová H, Brabcová I, Prokešová R.* Příčiny a intervence medikačního pochybení ve zdravotnických zařízeních ..... 43

## Původní práce

*Čižmáriková R, Habala L, Valentová J, Šmátralová D.* Syntéza a HPLC enantioseparácia nových derivátov 3-alkoxy-4-hydroxyfenylalkanónov typu potenciálnych  $\alpha/\beta$ -blokátorov ..... 51

*Rybak V, Kerimova G, Korol V.* Investigation of the anabolic activity of dry extracts of *Iris hungarica* leaves and rhizomes on the model of hydrocortisone-induced protein catabolism ..... 59

*Yakovenko O, Kolisnyk T, Ruban O, Fil N.* Formulation development of anti-stress compressed lozenges using a fractional factorial Latin cube design and ANOVA approach ..... 66

Pokyny pro autory ..... 79

## Review Articles

*Neugebauer J, Tóthová V, Chloubová I, Hajduchová H, Brabcová I, Prokešová R.* Causes and interventions of medication errors in healthcare facilities ..... 43

## Original Articles

*Čižmáriková R, Habala L, Valentová J, Šmátralová D.* Synthesis and HPLC enantioseparation of novel derivatives of 3-alkoxy-4-hydroxyphenylalkanones of a potential  $\alpha/\beta$ -blocker type ..... 51

*Rybak V, Kerimova G, Korol V.* Investigation of the anabolic activity of dry extracts of *Iris hungarica* leaves and rhizomes on the model of hydrocortisone-induced protein catabolism ..... 59

*Yakovenko O, Kolisnyk T, Ruban O, Fil N.* Formulation development of anti-stress compressed lozenges using a fractional factorial Latin cube design and ANOVA approach ..... 66

Instructions to the Authors ..... 80
