

CONTENTS

Institute of Experimental Botany 1995 - 1997	5
Institute of Experimental Botany - Future Prospects	7
Institute Structure	8
Directory of Institute of Experimental Botany	9
Laboratory of Cell Biology	13
Laboratory of Gene Manipulations	19
Laboratory of Hormonal Regulations in Plants	23
Laboratory of Phenolic Substances	29
Laboratory of Plant Morphogenesis	35
Laboratory of Pollen Biology	47
Norman Borlaug Centre	53
Laboratory of DNA Repair AG	57
Laboratory of Mutation Genetics	61
Laboratory of Physiology of Photosynthesis	65
Laboratory of Pathological Plant Physiology	77
Laboratory of Virology	85
Laboratory of Pollen Embryogenesis	91
Experimental Station Střížovice	99
Isotope Laboratory	101
Laboratory of Genetic Manipulations <i>in vitro</i>	105
Laboratory of Molecular Cytogenetics and Cytometry	111
Laboratory of Plant Cytoskeleton and Cell Cycle	123
Laboratory of Growth Regulators	127
Teaching and Training Activities	139
International Meetings	139
Editorial Activity	141
Epilogue	143
