1 Introduction to the <i>Advanced Introduction to Mental Health Law</i>	1
1.1 Historical roots	1
1.2 Social and political factors	2
1.3 Criminal law developments	3
1.4 Backlashes	5
1.5 The structure of the book	5
2 Some jurisprudential filters	7
2.1 Sanism	8
2.2 Pretextuality	8
2.3 Heuristics	9
2.4 "Ordinary common sense"	10
2.5 Therapeutic jurisprudence	11
2.6 Conclusion	15
3 Counsel and judges	16
3.1 Introduction	16
3.2 Counsel	16
3.2.1 Historical background	16
3.2.2 Constitutional bases	18
3.2.3 Statutory provisions assigning counsel	23
3.2.4 Other methods of assigning counsel	24
3.2.5 Ethical issues/counsel's role	25
3.2.6 Rights are not self-executing	27
3.2.7 The myth of adequate counsel	27
3.2.8 Counsel's educative function	28
3.3 Judges	29
4 Civil commitment law	31
4.1 Introduction	31

4.2	Substantive civil commitment law	31
4.2.1	Brief history	31
4.2.2	Early American developments	32
4.2.3	Mental illness as a predicate to commitment	33
4.2.4	On "dangerousness"	34
4.2.5	The significance of <i>Jackson v. Indiana</i>	37
4.2.6	Least restrictive alternative	42
4.2.7	Importance of an "overt act"	44
4.2.8	Inability to care for oneself	44
4.2.9	Grave disability	45
4.2.10	"Dangerousness to property"	45
4.3	Procedural issues	46
4.4	Contours of civil commitment hearings	46
4.4.1	Right to final commitment hearing	46
4.4.2	The substance of the hearing	48
4.5	Dispositional phase	51
4.5.1	<i>Addington v. Texas</i>	51
4.5.2	<i>Heller v. Doe</i>	52
4.6	After the hearing	54
4.6.1	"Discharged pending placement" and "conditionally extended pending placement" statuses	54
4.6.2	Right to periodic review	55
4.7	Other forms of commitment	56
4.7.1	Juvenile commitments	56
4.7.2	Voluntary commitments	58
4.7.3	Outpatient commitments	60
4.7.4	Emergency commitments	61
4.8	Transfer issues	62
4.8.1	Interinstitutional transfers	62
4.8.2	Interhospital and intrahospital transfers	62
4.8.3	Prison transfers	63
5	Institutional rights	65
5.1	The right to treatment	65
5.1.1	Historical background	65
5.1.2	Early case law	66
5.1.3	<i>Wyatt v. Stickney</i>	66
5.1.4	<i>Youngberg v. Romeo</i>	70
5.1.5	State patients' bills of rights	74
5.2	The right to refuse treatment	75
5.2.1	Introduction	75

5.2.2	History	75
5.2.3	Early constitutional approaches	78
5.2.4	The Supreme Court speaks	81
5.2.5	Other medication cases	84
5.2.6	Considering other treatments	86
5.3	Other institutional rights	89
5.3.1	Introduction	89
5.3.2	First Amendment rights	89
5.3.3	Sixth Amendment rights	91
5.3.4	Other due process and treatment rights	93
5.4	Penumbral rights	96
5.5	Economic rights	98
5.5.1	Right of persons institutionalized because of mental disabilities to control their own assets	98
6	Rights of persons with mental disabilities in community settings	99
6.1	Introduction	99
6.2	Statutory right-to-deinstitutionalization cases— <i>Dixon v. Weinberger</i>	100
6.2.1	Other early deinstitutionalization litigation	101
6.3	Right to deinstitutionalization—a procedural approach	101
6.4	Is there a constitutional right to aftercare?	102
6.5	A right to services in the community?	106
6.6	Civil rights in the community—introduction	107
6.6.1	Civil rights of ex-patients in the community— state-level decisions	110
6.7	<i>Olmstead v. L.C.</i>	111
6.8	Other economic rights of persons with mental disabilities	115
7	Between civil and criminal mental disability law	116
7.1	Introduction	116
7.2	Mental health courts	116
7.2.1	Structure of MHCs	119
7.2.2	From the perspective of procedural justice	124
7.2.3	From the perspective of therapeutic jurisprudence	126
7.3	International human rights law	128
8	Criminal incompetencies	133
8.1	Introduction	133

8.2	Incompetency to stand trial	133
8.2.1	Constitutional standards	135
8.2.2	Burden of proof	136
8.2.3	Expert testimony—the evaluation	138
8.2.4	Medicating defendants	139
8.2.5	Disposition of cases of individuals found incompetent to stand trial	142
8.3	Competency to plead guilty	143
8.4	Competency to waive counsel	145
8.4.1	<i>Indiana v. Edwards</i>	146
9	The insanity defense	149
9.1	Introduction	149
9.2	Overview and historical background	149
9.3	The development of insanity tests	150
9.3.1	Before <i>M'Naghten</i>	150
9.3.2	<i>M'Naghten's</i> case	151
9.3.3	Irresistible impulse	152
9.3.4	<i>Durham v. United States</i> —the “product test”	153
9.3.5	American Law Institute-Model Penal Code test	154
9.3.6	Federal legislative developments	155
9.3.7	State legislative developments	155
9.3.8	“Guilty but mentally ill”	156
9.4	At the US Supreme Court	157
9.4.1	<i>Clark v. Arizona</i>	157
9.4.2	<i>Kahler v. Kansas</i>	158
9.5	Procedural issues	159
9.5.1	Defendant's right not to plead insanity defense	159
9.5.2	Procedures after an NGRI finding	161
9.5.3	<i>Foucha v. Louisiana</i>	162
9.5.4	The right to refuse medication: <i>Riggins v. Nevada</i>	163
9.6	Empirical data and myths	165
9.6.1	Myth #1: The insanity defense is overused	166
9.6.2	Myth #2: Use of the insanity defense is limited to murder cases	166
9.6.3	Myth #3: There is no risk to the defendant who pleads insanity	167
9.6.4	Myth #4: NGRI acquittees are quickly released from custody	167
9.6.5	Myth #5: NGRI acquittees spend much less time in custody than do defendants convicted of the same offenses	167

9.6.6	Myth #6: Most insanity defense trials feature "battles of the experts"	168
9.6.7	Myth #7: Criminal defense attorneys overuse the insanity defense as a means of "beating the rap"	168
9.6.8	Myth #8: The insanity defense is a "rich man's defense"	169
9.6.9	Myth #9: Criminal defendants who plead insanity are usually faking	169
10	Access to experts, sentencing, and correctional treatment issues	171
10.1	Introduction	171
10.2	Access to experts	171
10.2.1	<i>Ake v. Oklahoma</i>	172
10.2.2	<i>McWilliams v. Dunn</i>	174
10.3	Sentencing	175
10.4	Treatment issues	178
10.4.1	Persons with mental disabilities in prisons	178
10.4.2	Right of prisoners with mental disabilities to treatment	180
10.4.3	Refusal of medication	182
11	The death penalty	185
11.1	Introduction	185
11.2	Testimony as to "dangerousness" at the penalty phase	185
11.2.1	<i>Barefoot v. Estelle</i>	186
11.3	Mitigation	189
11.4	Competency to be executed	191
11.4.1	Medication for the purposes of execution	194
11.5	Execution of defendants with intellectual disabilities	195
11.5.1	<i>Atkins v. Virginia</i>	195
11.5.2	Post- <i>Atkins</i> cases	199
	<i>Bibliography</i>	205
	<i>Index</i>	207
