

Objective CAE is a user-friendly course which prepares students for success at CAE through its unique organisation and approach.

Its short units focus on lively topics and genres and combine systematic and thorough examination practice with improving students' overall language level.

The Teacher's Book contains a clear, comprehensive answer key as well as photocopiable tests and tapescripts and a bank of supplementary extension activities.

Key features of Objective CAE:

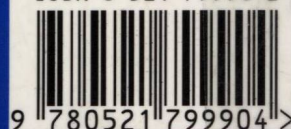

- 30 units, each focusing on a different topic and genre
- 12 'Exam Folders' provide systematic exam preparation and practice, covering each paper in detail
- 12 'Writing Folders' give practice in writing skills and exam technique for all the range of skills needed for Paper 2
- 6 revision units consolidate and extend what has been learned
- Vocabulary Spots and Exam Spots offer useful tips and helpful advice
- A 'Grammar Folder' appendix provides further examples and explanations
