

**Objective First Certificate is designed to guide students towards success in the Cambridge First Certificate in English examination.**

**A step-by-step approach to language, skills and techniques, combined with a wealth of interesting texts and recordings, make it one of the most lively, fulfilling and reassuringly thorough courses around.**

- Short units which give a satisfying sense of progression and achievement
- A Grammar Reference appendix with explanations and examples of the main areas of difficulty at this level
- Regular 'Exam Folders' focusing on individual exam-type tasks and the skills needed to tackle them
- Special 'Writing Folders' which concentrate on developing the skills needed for Paper 2, often considered by students to be the most difficult
- Revision units ensuring that language is constantly reactivated and recycled

The accompanying Workbook with or without answers provides ample opportunity for further practice of new language and skills, either at home or in the classroom. The Teacher's Book contains additional, photocopiable activities and suggested lesson plans, as well as cultural background notes, answer keys, tapescripts and lesson notes.
