<i>Summary</i>	172
<i>References</i>	172

9 THE JAPANESE ECONOMY

1946–Present: Historical Legacy and Context, Philosophical Basis, Social and Political Structures, Principal Institutions 174

<i>Introduction</i>	174
<i>Historical Legacy and Context</i>	174
<i>Philosophical Basis</i>	180
<i>Social and Political Structures</i>	182
<i>Principal Institutions</i>	186
<i>Summary</i>	198
<i>References</i>	199

10 BEHAVIOR OF THE JAPANESE ECONOMY 1946–Present 201

<i>Organization of Resource Allocation Decision Making</i>	201
<i>Ownership and Control of Resources</i>	204
<i>Social Process for Economic Coordination</i>	207
<i>Institutional Change</i>	215
<i>Performance of the Economy</i>	216
<i>How the Japanese Economy Illustrates the Evolutionary-Institutional Theory</i>	229

Concluding Remarks 230

References 231

11 THE FRENCH ECONOMY

1946–Present 233

Historical Legacy and Context 233

Philosophical Basis 236

Social and Political Structures 239

Principal Institutions 242

Behavior of the Economy 244

Institutional Change 251

Performance of the Economy 251

How the French Economy Illustrates the Evolutionary-Institutional Theory 253

Concluding Remarks 254

References 254

Section Six

Social Economies—Democratically Controlled

12 THE PHILOSOPHICAL BASIS FOR A DEMOCRATICALLY CONTROLLED SOCIAL ECONOMY 256

Introduction 256

The Early Reformers 258

The Fabian Society 265

The Beveridge Report 268

Concluding Remarks 271

References 271

13 THE SWEDISH ECONOMY

1932–Present 273

Introduction 273

Historical Legacy and Context 273

Philosophical Basis 276

Social and Political Structures 280

Principal Institutions 286

Behavior of the Economy 289

Institutional Change 303

Performance of the Economy 304

How Sweden's Economy Illustrates the Evolutionary-Institutional Framework 311

Concluding Remarks 312
