Acknowledgments.....	vii
List of Tables, Figures, and Examples	xv
Introduction.....	xvii
Part One: A Philosophy of Parks, Recreation, Tourism, Sport, and Leisure Research	1
Chapter 1.1: The Yin–Yang of Parks, Recreation, Tourism, Sport, and Leisure Research.....	3
Assumptions and Premises	5
Working Definitions	10
Further Background on Qualitative Approaches.....	14
Problems in the Study of PRTSL.....	16
Summary	17
For Further Consideration	17
For Further Reading	18
Chapter 1.2: Shift Into Gear	19
A Philosophy of Science	19
How Paradigm Shifts Occur	20
A Model for Dimensions of Choice in PRTSL Research.....	22
The Interpretive/Positivist Paradigm Discussion	24
Linking Paradigms to Approaches	28
Phenomenology.....	31
Ethnography	32
Hermeneutic Inquiry	32
Biographical/Historical	32
Case Study/Participatory Inquiry	32
Methods.....	33
Data	34
Methodological Issues	35
Implications for PRTSL Research.....	36
Summary	37
For Further Consideration	37
For Further Reading	37

Chapter 1.3: Theoretical Frameworks	41
What Is Theory?.....	41
Theoretical Frameworks for Data Discovery.....	45
Meso or Process-Oriented Theories to Guide Qualitative PRTSL Research	46
Functional Theory	46
Feminist Theory	47
Critical Theory	47
Symbolic Interactionism	48
Exchange Theory	49
Social Constructionism	49
Social Ecological Theory	49
Poststructural Theory	50
Leisure Theory	50
The Placement of Theory	51
Summary	52
For Further Consideration	52
For Further Reading	52
Chapter 1.4: The Self, Positionality, and Reflexivity	55
Social Change	56
Characteristics of Researchers	57
Relationships With Others	59
Micro Change and the Researcher	61
Micro Change and the Researched	63
Ethical and Practical Considerations of a Reflexive Methodology	64
Summary	66
For Further Consideration	66
For Further Reading	67
Part Two: Qualitative Data Collection	69
Chapter 2.1: Research Planning and Design	71
Making Research Choices.....	71
Preparing a Research Plan	75
Developing Working Hypotheses	79
“Getting In”.....	80
Getting Started	82
Summary	87
For Further Consideration	87
For Further Reading	88

Chapter 2.2: Field Research and Participant Observation.....	91
Background.....	91
Criteria for Field Research.....	93
Observation in General.....	96
Kinds of Observations.....	97
What a Field Researcher Does.....	100
Getting Established at a Site.....	101
Doing Field Research/Participant Observation.....	102
Key Informants.....	103
Summary.....	104
For Further Consideration.....	104
For Further Reading.....	105
Chapter 2.3: In-Depth Interviewing.....	107
Choosing to Use Interviewing.....	107
Variations of Interviews.....	108
Getting Started.....	110
Establishing Rapport.....	113
Asking Questions.....	114
Interviewing Techniques.....	119
Life History Interviews.....	121
Training Interviewers.....	122
Transcribing Data.....	123
Summary.....	126
For Further Consideration.....	126
For Further Reading.....	126
Chapter 2.4: Focus Groups.....	129
Background.....	129
Conducting Focus Groups.....	130
Issues to Consider.....	132
Summary.....	134
For Further Consideration.....	134
For Further Reading.....	134
Chapter 2.5: Case Studies.....	137
Background.....	138
Case Study Processes.....	138
Summary.....	141
For Further Consideration.....	141
For Further Reading.....	141

Chapter 2.6: Collecting Qualitative Data in Other Ways.....	143
Unobtrusive and Nonreactive Measures	143
Textual Analysis.....	145
Image-Based Analysis.....	147
Participatory Inquiry	148
Collective Memory Work.....	150
Computer-Mediated Communication	151
Autoethnography.....	152
Critical and Performance Ethnography.....	153
Summary	153
For Further Consideration	153
For Further Reading	154
Part Three: Qualitative Techniques.....	157
Chapter 3.1: Data Discovery, Organization, and Analyses	159
Caveats for Data Discovery	159
Notetaking and Memos	160
Data Discovery Devices.....	164
Organizing Data	165
Coding Data	166
Using Grounded Theory	167
Other Data Organizing Techniques.....	170
Sampling in Qualitative Approaches	171
Summary	173
For Further Consideration	174
For Further Reading	174
Chapter 3.2: Data Analyses and Interpretation	177
More About Grounded Theory.....	178
Process and Strategies.....	179
Content Areas to Consider	181
Other Ideas About Data Interpretation Techniques.....	183
Alternative and Rival Hypotheses	186
Ending the Data Discovery/Interpretation Process	186
Trustworthiness.....	187
Credibility.....	188
Transferability	190
Dependability	190
Confirmability	191
Summary	192
For Further Consideration	192
For Further Reading	193

Chapter 3.3: Computers and Qualitative Data	195
Issues Surrounding CAQDAS	195
Learning to Use CAQDAS	197
Innovations in Technology	198
Disadvantages in Using CAQDAS	199
Summary	199
For Further Consideration	200
For Further Reading	200
Chapter 3.4: Writing and Presenting Data.....	201
Writing as Thinking	202
Organizing the Written Report.....	203
The Place of Theory	204
Writing About Methods.....	205
Content of the Report.....	206
Other Representations of Data.....	208
Pointers for Writing.....	210
Integrative Reviews and Meta-Ethnographies	213
Getting Published.....	214
Summary	214
For Further Consideration	215
For Further Reading	215
Chapter 3.5: Linking Qualitative and Quantitative Data	219
Approaches to Linking Data	219
Considerations for Linking	221
Summary	223
For Further Consideration	223
For Further Reading	223
Chapter 3.6: Evaluating Interpretive Research	225
Background	225
Criteria	226
Theory	226
Design.....	228
Methods and Sample	230
Data Presentation and Interpretation	233
Summary	235
For Further Consideration	235
For Further Reading	236

Chapter 3.7: Issues and Challenges.....	237
Ethics.....	237
Treatment of Participants	239
Moral and Legal Concerns	241
Writing the Results	242
Code of Ethics	243
Political Support and Funding	243
Teaching Qualitative Research.....	244
“Qualitatively Different”	244
Time to Teach	246
Qualitative Data and Practitioners	247
Summary	247
For Further Consideration	248
For Further Reading	248
Glossary	251
