15. Biosphere Consciousness in a Climax Economy 593

I'd like to extend my gratitude to my old friend Jeremy Tarcher for making a place for my books in his publishing fold over these many years, and to Joel Fontana, another, for his unwavering support, as well as to Lance ... a wide reading audience for my books around the world.

A very special thanks to my longtime editor, Howard ... for his critical help ... The Hidden Paradox of Human History ... fruitful and enjoyable conversations over nearly half a decade were instrumental in honing the manuscript ... I. HOMO EMPATHICUS ... Thanks to Tarcher ... The New View of Human Nature ... A Scientific Inheritance of Biological Evolution ... Finally ... 4. Becoming Human 103 ... 5. Rethinking the Meaning of the Human Journey 137

## II. EMPATHY AND CIVILIZATION

6. The Ancient Theological Brain and Patriarchal Economy 181
7. Cosmopolitan Rome and the Rise of Upper Christianity 224
8. The Self-Industrial Revolution of the Late Medieval Era and the Birth of Humanism 256
9. Ideological Thinking in a Modern Market Economy 313
10. Psychological Consciousness in a Postmodern Existential World 365

## III. THE AGE OF EMPATHY

11. The Climb to Global Peak Empathy 433
12. The Planetary Entropic Abyss 470
