These are just some of the features that characterize the new Zondervan Exegetical Commentary on the New Testament series. The idea for this series was refined over time by an editorial board who listened to pastors and teachers express what they wanted to see in a commentary series based on the Greek text. That board consisted of myself, George H. Guthrie, William D. Mounce, Thomas R. Schreiner, and Mark L. Strauss along with Zondervan senior editor at large, Verlyn Verbrugge.
