Summary76

The training session.....77

• What is heart rate?.....77

• How to measure heart rate.....78

• Exercise intensity and heart rate80

• Reasons for monitoring heart rate82

• When to monitor heart rate.....84

Training drills84

Summary88

Aerobic Training	89
Aims	89
Effects	89
Types of aerobic training	90
Aerobic low-intensity (Aerobic _{LO}) training	91
Aerobic _{LO} training drills	93
Aerobic moderate-intensity (Aerobic _{MO}) training	98
Aerobic _{MO} training drills	99
Aerobic high-intensity (Aerobic _{HI}) training	106
Aerobic _{HI} training drills	113
Summary	136

Anaerobic Training	137
Aims.....	137
Effects	137
Types of anaerobic training.....	138
Speed training	138
Speed training drills.....	141
Speed endurance training	150
Speed endurance training drills	155
Summary	172

Planning the season	173
Pre-season	174
Season.....	188
Mid-season break.....	192
Periods of reduced training	196
Preparation for a tournament	200
Summary	205
