Part I. THE VOLUNTEER AND THE RIDER

1. INTRODUCTION TO THERAPEUTIC HORSEBACK RIDING

1.01 What is Therapeutic Riding or Riding for Persons with Disabilities?	1
1.02 Why did Therapeutic Riding for Persons with Disabilities Develop?	2
1.03 History: Therapeutic Horseback Riding	3
1.04 What are NARHA, RDA, and CANTRA?	4
1.05 How is Therapeutic Riding Good for the Disabled Person?	5
1.06 How is The Horse Used by Various Groups in Sports, Education and Medicine?	6
1.07 What Actually Takes Place During a Riding Lesson?	7
1.08 Why Does a Therapeutic Riding Program Need Volunteers?	7
1.09 What is the General Atmosphere of the Riding Session?	8
Chapter I Review	9

2. TO THE VOLUNTEER

2.01 Who is the Volunteer?	11
2.02 Why do People Volunteer?	11
2.03 How Does the Volunteer Help the Program?	12
2.04 What Does the Volunteer Do in a Therapeutic	12
Riding Program?	
Riding Lesson Activities	
Non-Riding Lesson Activities	
2.05 How is the Volunteer Trained?	13
2.06 What Does the Volunteer Wear When Working With Horse and Rider?	14
2.07 Things a Volunteer Should Ask	14
Chapter II Review	15

3. GETTING TO KNOW THE HANDICAPPED RIDER

3.01 Who are the Riders?	18
3.02 Where do These Riders Come From?	18
3.03 Can all Persons With a Disability Benefit From Therapeutic Riding Programs?	18
3.04 General Approach and Interaction With Adult and Child With Disabilities	19
3.05 How to Relate to the Handicapped Person	19
3.06 Considerations When Meeting a Person in a Wheelchair	21
3.07 Meeting a Person with Neurological Disorders	23
3.08 Some Things to Remember When With a Person who is Visually Impaired	23
3.09 Things to Remember When With a Person Who is Hearing Impaired or Deaf	24
3.10 Considerations When With a Person Who has Fragile Emotions	25
Chapter III Review	27

4. COMMON CONDITIONS AND/OR CHARACTERISTICS SEEN IN PERSONS IN THERAPEUTIC RIDING PROGRAMS
HOW ONE HELPS: WHAT TO DO

4.01 AIDS/HIV	29
4.02 Arthritic Conditions	30
Arthrogyrosis	30
Osteoarthritis	
Juvenile Rheumatoid Arthritis	
Osteogenesis Imperfecta	
Osteopetrosis	
Osteoposis	
Rheumatoid Arthritis	
4.03 Brain Disorders	32
Brain Damage	
Brain Tumors	33
Cerebral Palsy (CP)	
CVA	34
Drug Reaction from Maternal Drug Abuse	
Epilepsy	
Hydrocephalus	
Shunt	35
Seizures	
Traumatic Head Injuries	36
4.04 Problems Found in Persons with Brain Damage	37
Apraxia	
Attention Span Deficit	38
Fragile Emotions	
Hypersensation	39
Hyposensation	
Altered Muscle Tonus	41
Paralysis	42
Paresis	
Limited Range of Motion	43
Protective Reactions	
Pathological Reflexes	
Vestibular System Deficits	45
4.05 Emotional-Behavioral Disorders	46
Anxiety Disorders	
Depressive Disorders	47
Obsessive-Compulsive Disorders	
Paranoid Disorders	
Psychopathic Personality	
Psychosis	
Schizophrenia	
4.06 Genetic Disorders	48
Alzheimer's Disorder	
Down Syndrome	48
Dwarfism	50
Fragile X Syndrome	51
Sickle-Cell Anemia	

4.07	Hearing Impairment	52
4.08	Language Disorders	52
4.09	Limb Deformities or Loss of Limb	54
14.10	Nerve Injuries	54
	Brachial Plexus Palsy	
4.11	Neurodevelopmental Disorders	55
	Autism	
	Developmental Delay	56
	Mental Retardation	
	Learning Disability	57
4.12	Neuromuscular Disorders	59
	Friederich's Ataxia	
	Guillian-Barre Syndrome	
	Multiple Sclerosis (MS)	
	Muscular Dystrophy (MD)	60
	Neuropathy	
	Poliomyelitis	
4.13	Orthopedic Disorders	61
	Spinal Curvature	
4.14	Respiratory Disorders	62
	Asthma	
	Cystic Fibrosis	
4.15	Spinal Cord Disorders	63
	Brachial Plexus Palsy/Erb's Palsy	
	Poliomyelitis (Polio)	
	Spina Bifida	
	Spinal Cord Injuries	
	Spinal Curvature	
4.16	Visual Impairment	64
	Chapter IV Review	66

5. THE TEAM

5.01	The Team Approach	67
5.02	Why is a Team Needed?	67
5.03	Who is in the Team That Works with the Rider?	67
	The Instructor	
	The Horse Leader	
	The Sidewalker	
	The Program Consultant Therapist	
	The Equine-Assisted Therapist--Hippotherapy	
	The Backrider	
5.04	Responsibilities of Each Position	70
	The Instructor III (Head Level)	
	The Instructor II (Assistant Level)	71
	The Instructor I (Training Level)	
	The Physical or Occupational Therapy Program Consultant	72
	Other Program Consultants	
	The Horse Leader	
	The Sidewalker	73
	The Mounting Assistant	
	The Backrider	

Hippotherapy and Equine-Assisted Therapy	
The Horse	75
5.05 Responsibilities of all Team Members	75
5.06 Tying the TEAM Together -Communication:	77
When-Where-How	
Chapter V Review	78

Part II. THE HORSE AND THE RIDING SESSION

6. BASIC RIDING

6.01 Classical Riding	81
6.02 Western Style Riding	82
6.03 Trail Riding	82
6.04 Gaits of the Horse	83
6.05 Riding Aids to Guide and Communicate With the Horse	83
6.06 Developing Riding Skills	85
6.07 Why do Systematic Riding Skills Work so Well	85
6.08 Common Horse Terms you Need to Know	86

7. THE HORSE

7.01 The Nature of the Horse	91
7.02 The Horse has a Keen Sense of Smell	92
7.03 The Horse's Ability to Hear	92
7.04 The Horse's Sense of Touch	93
7.05 The Horse's Ability to See is an Important Sense	94
7.06 What Does the Horse Remember?	95
7.07 Horses Integrate Their Senses	95
7.08 Why is it Important for the Volunteer, Instructor, Rider, and Therapist to Know the Nature of the Horse	95
7.09 Parts of the Horse	96
7.10 Some Pointers for Handling the Horse	97
7.11 Knowing Your Horse	97
7.12 Let the Horse Know You	98
7.13 Feeding the Horse Treats	98
7.14 What to Do and Not Do Around the Horse	99
7.15 Hypothetical Age of the Horse	
Chapter Review	100

8. PREPARING THE HORSE FOR RIDING

8.01 Considerations in Preparing the Horse	101
8.02 Catching the Horse	101
8.03 Haltering the Horse	102
8.04 Leading the Horse: General Considerations	104
Method of Leading the Horse	
Leading with a Halter and Bridle	
Leading a Horse with a Bridle	

8.05 Tying the Horse	108
Quick Release Knot	
8.06 General Health, Grooming, Massaging, and Relaxing	110
Grooming the Horse	
Cleaning the Horse's Hooves	
Underside of the Horse's Hoof	
Grooming Tools-Their Purpose	
The Tack Box	
Massaging and Relaxing the Horse	
8.07 Saddling the Horse	116
Placing the Saddle Pad on the Horse; English - Western	
Parts of the Saddle; English - Western	
Carrying the Saddle	120
Where to Place the Saddle When Not on the Horse	
How to Place the Saddle on the Horse	
English	
Western	
Checking the Saddle Girth/Cinch	
8.08 The Saddles	118
8.09 Bridling the Horse	122
Parts of the Bridle	122
English	
Western	123
Parts of the bridle	
English	
Western	124
Putting on the Bridle	
8.09 Use and Adaptions of Tack	127
Lead and Bit Lead	
Textured Reins	
Colored Reins	
Ladder Rein	
Saddles	
Saddle Pads	
Body Vests	
Body Harness Pelvic Belt	
Waist Belt	
Stirrups	
Surcingle	

9. PREPARING THE TEAM FOR THE LESSON

9.01 The Therapeutic Riding Lesson	137
Purpose of the Lesson	
Who is in Charge of the Lesson?	
What is a Lesson Plan and Why is it Needed?	139
Example of a Riding Lesson Plan	140
Example of a Grooming Lesson Plan	141

9.02 The Rider	142
Know Your Rider	
General Description of Disability	
Physical Limitations: Balance, Control, Strength, Precautions Communication Ability	
Personal Aids and Special Equipment Used by the Disabled	
Example of a Rider Information Profile	144
9.03 The Riding Ring or Arena	145
Setting up the Ring for the Lesson	
Basic Equipment for the Riding Ring and the Lesson	146
Dressage Arena	149
Schooling Figures	150
9.04 Leading the Horse During a Lesson	151
Leading the Horse for Mounting a Rider	
Leading with a Lead Line or a Bit Lead, T.E.A.M Technique	
Leading with a Lunge Line	
The Leader Leads Without Holding Onto the Horse	
9.05 How to Sidewalk a Rider	155
9.06 Mounting and Transfers	157
How to Transfer- Mounting From the Ground	
Mounting From the Mounting Block	
Mounting From the Ramp, Lift or Platform	
Chapter Review	166
 10. THERAPEUTIC RIDING LESSON	
10.01 The Riding Lesson	167
10.02 CHECKLIST- Are you Ready for the Lesson?	167
10.03 Fitting the Helmet	168
10.04 Introducing the Rider to the Horse	168
10.05 Helping the Rider to Sit Up on a Horse	169
10.06 Exercises for the Rider	170
10.07 Handling Techniques With the Rider	170
10.08 Spotting Techniques	173
10.09 Ring and Riding Etiquette	173
 11. THE THERAPY SESSION	
11.01 How the Instructor and the Sidewalker Assist During a Therapy Session	177
 12. AFTER THE LESSON	
12.01 Taking off the Bridle	181
12.02 Taking off the Saddle	181
12.03 Cooling Down and Grooming the Horse	182
12.04 How to Put on a Horse Blanket and Why it is Needed	184
12.05 Returning the Horse to the Stall or Pasture	185
12.06 Care and Cleaning of Tack	185
Chapter Review	180.

13. SAFETY WITH THERAPEUTIC RIDING

13.01	Major Horse-Related Accidents	187
13.02	Emergencies With the Rider: Insect Bites, Seizures	187
13.03	Emergencies With the Horse-such as: Insect Bites, Bolting, Wind, Thunder, Stepping on your foot	188
13.04	Getting Help The Phone Number and How to Get to the Stable	189
13.05	Getting the First Aid Kit First Aid Procedures	189
13.06	Being Aware of the Unusual	189
13.07	Handling the Horse With Safety - A Review	192
	Answers to Chapter Review Questions	193
	REFERENCES	194
	INSTRUCTIONAL VIDEOS	199
	GLOSSARY OF TERMS	201
