

CONTENTS

Programme	5
Section 1: Plant–Based Recombinant Proteins	9
Section 2: Biomedical Compounds in Plants	17
Section 3: Genomics and Plant Transgenesis	31
Section 4: Plant-Microbe Interaction.	73
Section 5: In Vitro Morphogenesis and Embryogenesis	101
Minisymposium “Molecular Biology and Medicinal Hop”	137
Workshop “From Laboratory to Business”	143
Student Award Competition.	148
Author Index	149
