Errata to the original edition	653

This is a revised and authoritative edition of Tertullian's *De Anima*. This volume contains the complete contents of the first edition, to which we have added a brief overview of J.H. Waszink's scholarly career, an English translation of the greater part of the introduction to his German translation of 1980 and a list of corrections authorized by him. We wish to thank Brill for its active cooperation.
