<b>Part I The Role of miRNAs and Exosomes in Stem Cell Biology and Aging</b>	
<b>1 A New Stem Cell Biology: Transplantation and Baseline, Cell Cycle and Exosomes</b> . . . . .	3
Peter Quesenberry and Laura R. Goldberg	
<b>2 The Emerging Roles of microRNAs in Stem Cell Aging</b> . . . . .	11
Catharine Dietrich, Manish Singh, Nishant Kumar, and Shree Ram Singh	
<b>Part II Stem Cells and miRNAs- Therapeutic Challenges in Age-related Diseases</b>	
<b>3 Treating Age-Related Diseases with Somatic Stem Cells</b> . . . . .	29
Robert W. Brooks and Paul D. Robbins	
<b>4 Targeting miRNA for Therapy of Juvenile and Adult Diabetic Cardiomyopathy</b> . . . . .	47
Shyam Sundar Nandi and Paras Kumar Mishra	
<b>5 Stem Cell Therapies for Neurodegenerative Diseases</b> . . . . .	61
Kiminobu Sugaya and Manjusha Vaidya	
<b>Part III Exosomes, miRNAs and Stem Cells in Cancer</b>	
<b>6 MicroRNAs, Regulatory Messengers Inside and Outside Cancer Cells</b> . . . . .	87
Simone Anfossi, Xiao Fu, Rahul Nagvekar, and George A. Calin	

**7 Exosomes Function in Tumor Immune Microenvironment . . . . . 109**  
 Yin Huang, Keli Liu, Qing Li, Yikun Yao, and Ying Wang

**8 EV, Microvesicles/MicroRNAs and Stem Cells in Cancer. . . . . 123**  
 Jacob A. Tickner, Derek J. Richard, and Kenneth J. O’Byrne

**9 Human Aging and Cancer: Role of miRNA  
 in Tumor Microenvironment . . . . . 137**  
 Oleta A. Sandiford, Caitlyn A. Moore, Jun Du, Mathieu Boulad,  
 Marina Gergues, Hussam Eltouky, and Pranela Rameshwar

Part I: The Role of miRNAs and Exosomes in Stem Cell Biology and Aging

1. A New Stem Cell Biology: Transcriptional Regulation and the Cell Cycle and Apoptosis  
 Peter Queenberry and Laura H. Goldberg

2. The Emerging Role of miRNAs in Stem Cell Aging  
 Catherine Dietrich, Manish Singh, Vishant Kumar, and Shree Ram Singh

Part II: Stem Cells and miRNAs: Therapeutic Challenges in Age-Related Diseases

3. miRNAs in Age-Related Diseases: Stem Cells and miRNAs  
 Robert W. Brooks and Paul D. Robbins

4. Targeting miRNAs for Therapy of Juvenile and Adult Diabetes: A Review  
 Sanyam Sood, Rishi K. Singh, and Rishi K. Singh

5. Stem Cell Therapy for Age-Related Diseases: A Review  
 Kaminobu Sugaya and Manjusha Vaidya

Part III: miRNAs, miRNAs and Stem Cells in Cancer

6. miRNAs: Regulatory Messengers Inside and Outside Cancer Cells  
 Simone Antoni, Xiao Fu, Rahul Narayan, and George A. Calin
