Foreword – International Continence Society <i>Walter Artibani</i>	ix		
Foreword – International Urogynecology Association <i>Paul A. Riss</i>	xi		
Foreword – World Confederation of Physical Therapy <i>Sandra Mercer Moore</i>	xiii		
Preface <i>Kari Bø, Bary Berghmans, Siv Mørkved and Marijke Van Kampen</i>	xv		
1. Overview of physical therapy for pelvic floor dysfunction <i>Kari Bø</i>	1		
2. Critical appraisal of randomized trials and systematic reviews of the effects of physical therapy interventions for the pelvic floor <i>Rob Herbert</i>	9		
3. Functional anatomy of the female pelvic floor <i>James A. Ashton-Miller and John O. L. DeLancey</i>	19		
4. Neuroanatomy and neurophysiology of pelvic floor muscles <i>David B. Vodusek</i>	35		
5. Measurement of pelvic floor muscle function and strength and pelvic organ prolapse <i>Introduction</i> <i>Kari Bø and Margaret Sherburn</i>	47		
<i>Visual observation and palpation</i> <i>Kari Bø and Margaret Sherburn</i>	50		
<i>Electromyography</i> <i>David B. Vodusek</i>	56		
<i>Vaginal squeeze pressure measurement</i> <i>Kari Bø and Margaret Sherburn</i>	63		
		Urethral pressure measurements <i>Mohammed Belal and Paul Abrams</i>	69
		Pelvic floor dynamometry <i>Chantale Dumoulin and Mélanie Morin</i>	76
		Ultrasound in the assessment of pelvic floor muscle and pelvic organ descent <i>Hans Peter Dietz</i>	81
		MRI of intact and injured female pelvic floor muscles <i>John O. L. DeLancey and James A. Ashton-Miller</i>	93
		Clinical assessment of pelvic organ prolapse <i>Richard C. Bump</i>	105
		6. Pelvic floor and exercise science <i>Motor learning</i> <i>Kari Bø and Siv Mørkved</i>	113
		<i>Strength training</i> <i>Kari Bø and Arve Aschehoug</i>	119
		7. Strategies to enhance adherence and reduce drop out in conservative treatment <i>Dianne Alewijnse, Ilse Mesters, Job F. M. Metsemakers and Bart van den Borne</i>	133
		8. Lifestyle interventions for pelvic floor dysfunction <i>Pauline Chiarelli</i>	147
		9. Pelvic floor dysfunction and evidence-based physical therapy <i>Female stress urinary incontinence</i> Prevalence, causes, pathophysiology: two views, one disease <i>Jacques Corcos and Anders Mattiasson</i>	161
			164

Pelvic floor muscle training for stress urinary incontinence <i>Kari Bø</i>	171	Physical therapy for fecal incontinence <i>Siv Mørkved</i>	309
Electrical stimulation for SUI <i>Bary Berghmans</i>	187	10. Evidence for pelvic floor physical therapy for urinary incontinence during pregnancy and after childbirth <i>Siv Mørkved</i>	317
Overactive bladder	201	<i>Urinary incontinence during pregnancy and after childbirth</i>	318
Introduction <i>Anders Mattiasson</i>	201	<i>Evidence for pelvic floor physical therapy for urinary incontinence during pregnancy</i>	323
Bladder training for OAB <i>Jean F. Wyman</i>	208	<i>Evidence for pelvic floor physical therapy for urinary incontinence after delivery</i>	327
Pelvic floor muscle training for OAB <i>Kari Bø</i>	218	11. Evidence for pelvic floor physical therapy for neurological diseases <i>Marijke Van Kampen</i>	337
Electrical stimulation for OAB <i>Bary Berghmans</i>	222	<i>Stroke</i>	338
Pelvic organ prolapse	233	<i>Multiple sclerosis</i>	341
Introduction <i>James Balmforth and Dudley Robinson</i>	233	12. Evidence for pelvic floor physical therapy in the elderly <i>Margaret Sherburn</i>	345
Pelvic floor muscle training in the prevention and treatment of POP <i>Kari Bø and Helena Frawley</i>	240	13. Pelvic floor physical therapy in elite athletes <i>Kari Bø</i>	369
Pelvic pain	249	14. Evidence for pelvic floor therapy in men <i>Marijke Van Kampen</i>	379
Pelvic floor muscle assessment <i>Helena Frawley and Wendy Bower</i>	249	<i>Postprostatectomy incontinence</i>	380
Treatment of pelvic floor muscle pain and/or overactivity <i>Helena Frawley and Wendy Bower</i>	258	<i>Terminal and postvoid dribble</i>	389
Female sexual dysfunction	266	15. Evidence for pelvic floor therapy in children <i>Wendy F. Bower</i>	395
Assessment <i>Alessandra Graziottin</i>	266	<i>Dysfunction of bladder control</i>	395
Treatment <i>Alessandra Graziottin</i>	277	<i>Constipation in children</i>	401
Male sexual dysfunction	287	16. The development of clinical practice guidelines in physical therapy <i>Bary Berghmans, Erik Hendriks, Nol Bernards and Rob de Bie</i>	409
Introduction <i>Grace Dorey</i>	287	Appendix: Useful URLs	419
Treatment <i>Grace Dorey</i>	294	Index	423
Fecal incontinence	304		
Introduction <i>Ylva Sahlin and Espen Berner</i>	304
